&

PHOENIX AWARDS

Empowering Healthcare through Artificial Intelligence.

5th
April, 2026

Ashok Hotel, New Delhi

Medical Dialogues & National Medical Forum

SCAN ME

Dr. Prem Aggarwal

Chairman, Organizing
Committee

Dear Sir/Ma'am,

We are delighted to announce the HealthAlcon 2026 and Phoenix Awards for AI Health Innovations, organized by the National Medical Forum in collaboration with Medical Dialogues. This landmark event will bring together policymakers, healthcare leaders, AI innovators, startups, and researchers to explore how artificial intelligence can transform healthcare.

Your participation is vital as we collectively work towards building AI-enabled, patient-centric healthcare systems. By joining this platform, your organization will gain exposure to cutting-edge innovations, network with key decision-makers, and showcase its role in shaping the future of digital health.

We invite you to nominate a representative from your institution or team and be a part of this pioneering initiative.

With warm regards

Dr. Prem Aggarwal
Chairman, Organizing Committee

About the Conference

HealthAlcon 2026 is a premier convergence of India's healthcare leaders, AI innovators, policymakers, and researchers, aimed at revolutionizing the healthcare ecosystem through the power of artificial intelligence. This one-day conference brings together diverse minds to discuss, demonstrate, and deploy real-world AI solutions that improve accessibility, affordability, and quality of healthcare.

With AI reshaping diagnostics, drug discovery, patient care, data management, and health equity, this event will explore both opportunities and challenges in making AI integral to healthcare systems.

MISSION

To provide a neutral, independent platform for discussion and collaboration across government, non-government, industry, academia, and civil society.

To raise awareness on the potential of AI in healthcare, aligned with NITI Aayog's vision of "AI for All."

To connect innovators, regulators, hospitals, and CSR partners, facilitating applied research, pilots, and responsible adoption.

To celebrate pioneers and enablers in healthcare AI through the Phoenix Awards.

Vision

To empower healthcare users with cutting edge, affordable AI innovations.

To sensitize AI innovators & Policy makers towards strategic needs of healthcare users.

CONFERENCE AGENDA

Hall A: AI in Health Services

Explores how AI is redefining healthcare delivery — from smarter hospitals and diagnostics to telehealth, robotics, and public health.

Participants: Small, Mid-size, and big Hospitals, both government and private, that desire to digitalize their work

Hall B: AI in Medical Education

Showcases AI-driven transformation in medical learning — adaptive curricula, simulation & AR/VR, CME, and breaking language barriers.

Participants: Health universities, education innovation tools, policy makers, and advocates of digital medical education

Hall C: AI in Medical Research

Highlights AI's role in accelerating discovery — from drug development and clinical trials to genomics, big data, and ethical research.

Participants: Researchers, innovators, AI intelligence startups for improving medical research in India

Hall D: Course in AI Literacy for Health Professionals

Highlights AI's role in accelerating discovery — from drug development and clinical trials to genomics, big data, and ethical research.

Participants: Researchers, innovators, AI intelligence startups for improving medical research in India

AGENDA OVERVIEW

Timing	Hall A – AI in Health Services
09:00 – 09:10 am	Welcome Address
09:10 – 09:40 am	Keynote: <i>Digital-First Hospitals</i>
09:40 – 10:20 am	Session 1: Healthcare Analytics
10:20 – 10:30 am	Product Showcase
10:30 – 11:10 am	Session 2: Diagnostics & Imaging
11:10 – 11:20 am	Product Showcase
11:20 – 11:50 am	Keynote: <i>Humanizing Patient Care</i>
11:50 – 12:30 pm	Session 3: Hospital Management
12:30 – 12:40 pm	Product Showcase
12:40 – 01:20 pm	Session 4: Clinical Decision Support
01:20 – 01:30 pm	Product Showcase
01:30 – 02:00 pm	Lunch Break (All Delegates)
02:00 – 02:40 pm	Session 5: Personalized & Preventive Healthcare
02:40 – 02:50 pm	Product Showcase
02:50 – 03:20 pm	Session 6: Telehealth & Virtual Care
03:20 – 03:30 pm	Product Showcase
03:30 – 03:45 pm	Keynote: <i>Digital-First Hospitals</i>

Timing	Hall B – Digital Medical Education
09:00 – 09:10 am	Welcome Address
09:10 – 09:40 am	Keynote: <i>Reimagining Medical Education</i>
09:40 – 10:20 am	Session 1: Curriculum Transformation
10:20 – 10:30 am	Product Showcase
10:30 – 11:10 am	Session 2: Simulation & AR/VR
11:10 – 11:20 am	Product Showcase
11:20 – 11:50 am	Keynote: <i>Chatbots & Next-Gen Learning</i>
11:50 – 12:30 pm	Session 3: CME with AI
12:30 – 12:40 pm	Product Showcase
12:40 – 01:20 pm	Session 4: Competency Tracking
01:20 – 01:30 pm	Product Showcase
01:30 – 02:00 pm	Lunch Break (All Delegates)
02:00 – 02:40 pm	Session 5: Language Divide in Learning
02:40 – 02:50 pm	Product Showcase
02:50 – 03:20 pm	Session 6: Ethics & Equity in Education
03:20 – 03:30 pm	Product Showcase
03:30 – 03:45 pm	Keynote: <i>Global Perspectives on Education</i>

Timing	Hall C – Digital Medical Research
09:00 – 09:10 am	Welcome Address
09:10 – 09:40 am	Keynote: <i>Future of Clinical Research</i>
09:40 – 10:20 am	Session 1: Drug Discovery & Development
10:20 – 10:30 am	Product Showcase
10:30 – 11:10 am	Session 2: AI-Powered Clinical Trials
11:10 – 11:20 am	Product Showcase
11:20 – 11:50 am	Keynote: <i>Faster, Safer Drug Discovery</i>
11:50 – 12:30 pm	Session 3: Big Data & Genomics
12:30 – 12:40 pm	Product Showcase
12:40 – 01:20 pm	Session 4: Real-World Evidence
01:20 – 01:30 pm	Product Showcase
01:30 – 02:00 pm	Lunch Break (All Delegates)
02:00 – 02:40 pm	Session 5: Ethics, Bias & Transparency
02:40 – 02:50 pm	Product Showcase
02:50 – 03:20 pm	Session 6: Collaborative Platforms
03:20 – 03:30 pm	Product Showcase
03:30 – 03:45 pm	Keynote: <i>Balancing Innovation & Ethics</i>

Timing	Hall D – Unified Sessions
03:30 – 03:45 pm	Keynote: <i>Digital-First Hospitals</i>
03:45 – 04:00 pm	Tea Break (All Delegates Merge)
04:00 – 05:00 pm	Chief Guest Keynote & Awards (Unified)
05:00 – 07:00 pm	AI Literacy in Healthcare (Unified Session)
07:00 pm onwards	Networking Dinner (Unified)

PHOENIX INNOVATOR AWARD FOR HEALTH INNOVATION

Who can apply: Individuals with significant contributions and innovations in healthcare technology.

PHOENIX INNOVATION AWARD FOR HEALTH INNOVATION

Who can apply: Organizations or startups focusing on AI-driven innovations in healthcare.

PHOENIX IMPLEMENTATION AWARD FOR HEALTH INNOVATION

Who can apply: Organizations and institutions that have successfully implemented Artificial Intelligence (AI) to improve healthcare delivery, patient outcomes, or operational efficiency.

PHOENIX IMPACT AWARD FOR HEALTH INNOVATION

Who can apply: Individuals or organizations making measurable and impactful changes in healthcare.

**CATEGORY OF
NOMINATION**

JURY MEMBERS

Dr. Rajendra Gupta

Founder Health Parliament, Former Advisor to the Union Health Minister of India, Chairman Academy of Digital Health Science

Dr Anupama Singh

Health AI Expert

Dr. Saurabh Gupta

Associate Professor, Biomedical Engineering
NIT Raipur , Phd IISc

Ashish Sharma

Health AI Expert, Advisor National Medical Forum Founder Calidad Healthcare

Pawan V Kulkarni

GM Corporate IB - JB Pharma. Pharma Marketer, Digital & AI Enthusiast, Author.

Prof. (Dr.) Musharraf Husain

Dean, Jamia Hamdard

Prof. (Dr.) Anurag Mishra

Professor of Surgery,
Maulana Azad Medical College

Rishi Sharma

CEO, IIT Jodhpur TISC
Fellow CfHE, IIT Hyd

WHY ATTEND HealthAICon 2026?

LEARN FROM EXPERTS:

Gain insights from global leaders in AI and healthcare.

NETWORKING OPPORTUNITIES:

Connect with key decision-makers.

EXCLUSIVE WORKSHOPS:

Hands-on training to leverage AI tools effectively.

STARTUP SPOTLIGHT :

Explore pioneering health-tech solutions in our demo showcase.

COLLABORATION OPPORTUNITIES:

Establish partnerships with institutions and influencers in AI & healthcare.

Who's Attending?

Join a diverse audience driving healthcare innovation

Hospital Administrators

Doctors & Healthcare Professionals

Government & Policymakers

AI Innovators & Tech Experts

Medical Researchers & Academicians

Venture Capitalists & Tech Investors

Healthtech Startups

EXPECTED OUTCOMES

A Whitepaper capturing key discussions and recommendations for advancing responsible healthcare AI.

Increased awareness and guidance on data standards, validation pathways, and ABDM alignment.

Opportunities for collaborations and partnerships between startups, hospitals, academia, and industry.

Exploration of CSR and industry support for pilot projects and rural health deployments.

Recognition of Trailblazers, Innovators, Catalysts, and Impact Leaders through the Phoenix Awards.

A roadmap of follow-up activities, including stakeholder roundtables and sandbox dialogues.

EXHIBIT AT HealthAICon 2026

Be part of the Exhibition Zone at Health AI Con 2026 and showcase your healthcare AI innovations to a powerful audience of policymakers, doctors, hospital leaders, researchers, and industry pioneers.

This is your chance to:

put your solutions on display in front of decision-makers.

Network with 600+ delegates and thousands more through outreach.

Build partnerships and visibility at India's leading AI healthcare summit.

Limited exhibitor slots available. Reserve your space now and make your innovation part of the conversation.

Booth Size: 2m x 2m (tabletop format with backdrop options)

Location: Pre-function area adjacent to the main ballroom

Slots Available: Limited to 15 exhibitors for maximum visibility

Audience: Policymakers • Hospital Administrators • Pharma & MedTech Leaders • AI Innovators • Academicians • Doctors & Researchers

Exhibition Details:

Summit & Awards for Medical Research

Event Highlights

Keynote by DST, exploring national AI-health initiatives

Specialized sessions on ABHA, 3D printing, telehealth, and AI in mental well-being

Phoenix Awards Ceremony, spotlighting outstanding AI-driven healthcare innovations

Product demos, illustrating real-world technologies in action

Dual-panel format, covering clinical diagnostics, robotics, affordability, data protection, and gerontechnology

Innovation Showcase & Product Demos

Discover live demonstrations from India's leading health-tech startups and companies—presenting breakthrough solutions in diagnostics, patient monitoring, surgical robotics, AI-driven triage, wearable technology, and more.

Sponsorship Opportunities

Package	Inclusions
Premium Partner	<ul style="list-style-type: none"> - Branding across all summit collaterals (website, backdrop, agenda, press) - Speaking slot in Keynote Session - Jury position in Phoenix Awards evaluations - 1 special Phoenix Accolade - 1 Product Demo slot - Exclusive Branding of AI Photo Booth - 1 Dedicated Article + 1 Video Byte + Social Media Coverage - Exhibition Stall included - 5 Delegate passes + 3 VIP Networking Dinner invites
Track Sponsor (Hall A / B / C)	<ul style="list-style-type: none"> - Branding for one thematic hall (AI in Health Services / Education / Research) - Participation in one panel session within the track - 1 Product Demo showcase slot - 1 Dedicated Article + Social Media Coverage - Exhibition Stall included - 3 Delegate passes + 2 Networking Dinner invites
Session Sponsor	<ul style="list-style-type: none"> - Branding during one session (panel or keynote) - Mention in program & website - 1 Dedicated Article on Medical Dialogues - Exhibition Stall included - 2 Delegate passes + 1 Networking Dinner invite
À-la-carte Add-ons	
Option	Details
Exhibition Stall	A 2m x 2m booth (for brands wanting more space)
Panel Discussion Speakership	Guaranteed speaking role in a panel session

Why Sponsor?

Network with partners across the value chain

Enhance brand visibility in AI-health ecosystem

Engage decision-makers in healthcare innovation

Lead conversations on the future of AI in India's healthcare

Showcase your solutions to hospitals, doctors, and policymakers

Access to 6,00,000+ doctors and 2M+ monthly readers through Medical Dialogues, India's largest medical news portal.

Organizers

Medical Dialogues – India's leading digital news platform for medical professionals, recognized by global health bodies including the WHO and Google News.

Sanjeevan Hospital – A multi-specialty hospital known for pioneering medical care in India.

BlackBuck Conferences – The force behind India's prestigious recognition platforms in the fields of healthcare, education, research, and social impact.

Partner with Us

Exhibit. Sponsor. Collaborate.

Position your brand as a thought leader in the AI healthcare space.
