No. U.15029/25/2022-UGMEB/

Dated 15th June 2022

ADVISORY

Subject: Usage of Khadi products in medical colleges/institutions.

Khadi & Village Industries Commission, a statutory establishment under Ministry of Micro, Small and Medium Enterprises, provides linkages with established marketing agencies in order to promote sale and marketing of khadi and/or products of village industries or handicrafts. KVIC has also been providing financial assistance to institutions and individuals for development and operation of Khadi and Village Industries and generating employments for millions of people in rural areas.

2. Apart from the above, KVIC also aims the usage of khadi products which are especially designed and manufactured for medical professionals, such as Bed-sheet, Pillow covers, Apron, Curtains, Patient's Gown, Soaps, Hand-wash, Phenyl etc. It has now scientifically been proven that products, made of Khadi are not only beneficial for health but also eco-friendly. As the doctors are mandatorily required to wear white coat during the duty hours, so they are advised to use white coat made of Khadi.

3. All doctors and college/hospital management are advised to encourage/include the usage of Khadi products at their Institutes, Hospitals, Nursing Home, etc. and help in providing employment and building up of self-reliant & strong rural community.
