National Medical Commission

Under Graduate Medical Education Board

स्नातक चिकित्सा शिक्षा बोर्ड

New Delhi, dated the July, 2022.

To

The Principal/Dean,

All the Medical Colleges/Medical Institutions of India.

Subject: Registration of all Medical Colleges in All India Survey on Higher Education (AISHE)- regarding.

Madam/Sir,

This is to bring to your kind attention that Department of Higher Education has **launched the All-India Survey on Higher Education (AISHE) in the year 2011** under the Central Sector Scheme of Higher Education Statistics and Public information Systems (HESPIS) **to create a robust database of the educational institutions providing higher education in India.** The coverage of AISHE includes all tertiary level educational institutions, including medical education. **All recognized institutions apply online for registering in AISHE through this dedicated portal, after which they provide regular data annually.**

2. The list of institutions registered in the AISHE is **used widely by Central Ministries and State Governments for checking genuineness of student applicants in different schemes.** A wide use of this is done in the **National Scholarships Portal**, where online application and processing of scholarships of different Ministries are done, after which scholarships are sent through **Direct Benefit Transfer (DBT) mode to the students after proper online verification, de-duplication etc.**

3. In order to extend the entitlements to the eligible and deserving students, inclusion of all the institutions in the AISHE is necessary. However, it has been observed that some of the medical colleges recognized with the NMC are not in the AISHE list. **Hence, it is requested to mandatorily register and get the AISHE code at the earliest. The next round of applications from the student in the National Scholarship Portal might be starting shortly.** Therefore, an early compliance by these institutions will help the entitled students to avail of the benefits extended by the Government. For any help in this regard, the concerned officers/in-charge of institutions can contact Shri R.Rajesh, Deputy Director General in the email ID r.rajesh@gov.in.

4. This issues with the approval of President (UGMEB).

Yours faithfully,

(Rajeev Verma)

Under Secretary (UGMEB)
