(Dr. Sandhya Bhullar)  
Secretary, NMC

**DRAFT NOTIFICATION**

**NATIONAL MEDICAL COMMISSION**

New Delhi, the      September, 2022

No.                      — In exercise of the powers conferred by Section 57 read with Sub-Section 1 of Section 24 of the National Medical Commission Act, 2019 (30 of 2019) and in compliance with the direction issued by Ministry of Health & Family Welfare vide letter dated 23<sup>rd</sup> Aug, 2022 under Section 45 of the National Medical Commission Act, 2019, the National Medical Commission hereby makes the following Regulation to further amend the “Establishment of Medical College Regulations, 1999” namely: -

1. (i) These Regulations may be called the “Establishment of Medical College Regulations, (Amendment), 2022.

(ii) They shall come into force from the date of their publication in the Official Gazette.

2. In clause 2(5A), under the heading “QUALIFYING CRITERIA”, the following shall be added:-

The condition of ‘fully functional hospital for a minimum period of 2 years’ shall not apply in case of Universities or deemed to be universities within the meaning of University Grants Commission Act, 1956, having experience of establishing and running fully functional recognized medical colleges and hospital of 1000 beds or more, for at least two years, anywhere in India, provided that:-

(i) The building of both the hospital and the medical college is owned and managed by the same organization.

(ii) The building of the proposed medical college has not been used for any other purpose before making an application to the Medical Assessment and Rating Board (MARB) of National Medical Commission (NMC) for establishment of new medical colleges, and

(iii) At the time of application, has an established multi-specialty hospital with at least 1000 in-patient beds and fulfilling all other norms under the regulation.
