6. The Commission views the aforesaid non-compliance as a serious and material breach, particularly in light of the directions issued by the Hon'ble Supreme Court of India, mandating the payment of stipend to medical interns and residents.
7. The continuing non-compliance with the mandate regarding payment of stipend and disclosure of the same on the institution's websites shall attract further regulatory and penal actions, including but not limited to restrictions on admissions, suspension of permissions, or other disciplinary measures as deemed appropriate by the Commission.
