Subject: Online filling of information relating to admission made in Medical College/Postgraduate Institute through NEET-PG-2025 for postgraduate medical courses for the Academic Year 2025-26-reg.

Sir/Madam,

The National Medical Commission has been set up by an Act of Parliament namely, the National Medical Commission Act, 2019, in September, 2020. As per, Section 61(2) of National Medical Commission Act, 2019, "Notwithstanding the repeal of the Indian Medical Council Act, 1956, the educational standards, requirements and other provision of the Indian Medical Council Act, 1956 and the rules and regulations made thereunder shall continue to be in force and operate till new standards or requirements are specified under this Act or the rules and regulations made thereunder." Admission to the Postgraduate courses (PG Diploma, MD/MS, DM & M.Ch.) has to be made in accordance with judicial decisions and MCI/NMC Regulations.

2. The Medical Colleges are required to ensure that all admissions made in the PG courses are strictly in accordance with merit and are made in a transparent and fair manner as envisaged in the Regulations. Any violation shall lead to discharge of the concerned students from the courses and such action against the concerned Medical College/Institution as is permissible under law.

3. Therefore, all Medical Colleges/Institutions are called upon to submit the requisite information through an online system that can be accessed through NMC website (<http://www/nmc.org.in>). It is required to submit the details of all the students admitted through NEET PG-2025.

4. Already existing login id is to be used for the purpose of logging in. Through this unique login id, all the medical colleges/institutions must submit the admission details of postgraduate students within the stipulated time beyond which the Colleges/Institutions will not be allowed to enter the details of the students onto the Student Admission Online Monitoring System for the current academic year. The Colleges/Institutes need **not** send hardcopy of the data of admission in PG Courses. Data uploaded through the Student Admission Entry portal **shall be the only data** used for the purpose of monitoring students' admission.

5. If the login id is not functional or if the Medical College/Institutions are finding it difficult to login, an email may be sent to support.pgmonitoring@nmc.org.in with the subject heading, "Difficulty in logging in."
