विषय: संशोधित एनबीईएमएस प्रत्यायन प्रक्रिया/मानदंड - के संबंध में

Subject: Revised NBEMS Accreditation Process/Criteria – Regarding

कृपया ध्यान दें: सभी अस्पताल / मेडिकल कॉलेज / चिकित्सा संस्थान

Kind Attention: All Hospitals / Medical Colleges / Medical Institutions

1. एनबीईएमएस प्रत्यायन प्रक्रिया/मानदंड में निम्नलिखित संशोधन/अद्यतन किए गए हैं:
The following revisions / updates have been made in the NBEMS Accreditation process / criteria:

निम्नलिखित पाठ्यक्रमों/विशेषताओं के लिए न्यूनतम मान्यता मानदंड संशोधित किए गए हैं:
Minimum Accreditation Criteria have been revised for the following courses/specialties:

A. एफ़एनबी पेन मेडिसिन / FNB Pain Medicine:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)	<p>Following fresh criteria have been added for FNB Pain Medicine course:</p> <ul style="list-style-type: none">• The hospital should be a minimum 100 bedded hospital.• Having an operational Anaesthesiology department accredited by NBEMS. <p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p>
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>	

B. डीएनबी जेनेरल मेडिसिन/ DNB General Medicine:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)</p>	<p>A. Faculty with super / sub specialization (medicine branch) serving as a full-time faculty in General Medicine department will be considered, provided:</p> <ul style="list-style-type: none"> • Only one faculty member with a sub/super-specialization (medicine branch) will be considered in the General Medicine department for the purpose of applying for the DNB General Medicine program. • Such faculty should not have overlapping responsibilities with any running DrNB/DM super specialty program. An undertaking to this effect must be obtained from the concerned faculty members. • There should not be any conflict of interest, and the faculty member must be a full-time member of the General Medicine department. <p>B. Minimum requirement of MICU beds: 06</p> <p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p>
<p><i>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</i></p>	

c. डीएनबी ओटोरिनोलैरिंगोलॉजी (ईएनटी) / DNB Otorhinolaryngology (ENT):

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)</p>	<p>A. Essential surgeries performed by the department:</p> <ul style="list-style-type: none"> • Myringotomy with grommet insertion • Cortical mastoidectomy • Modified radical mastoidectomy • Tympanoplasty • Stapedotomy • Septoplasty • FESS • Endoscopic polypectomy • Lateral rhinotomy • Maxillectomy exposure • Tonsillectomy • Adenoidectomy • Direct laryngoscopy with biopsy • Tracheostomy • Micro laryngeal surgery • Laryngectomy • FNAC related to ENT • Thyroidectomy

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
	<ul style="list-style-type: none"> • Superficial parotidectomy • Neck dissection <p>B. Case mix / spectrum of Diagnosis in the department required:</p> <p>Ear</p> <ul style="list-style-type: none"> • Chronic Otitis Media (Mucosal and Squamosal type) • Cholesteatoma • Otitis externa, otomycosis • Traumatic tympanic membrane perforation • Otosclerosis • Hearing loss (conductive, sensorineural, mixed) • Vertigo (BPPV, Meniere's disease, vestibular neuritis) • Facial nerve palsy (ENT causes) • Mastoiditis and intracranial complications of ear disease <p>Nose & Paranasal Sinuses</p> <ul style="list-style-type: none"> • Deviated nasal septum • Nasal polyposis • Chronic rhinosinusitis • Allergic rhinitis • Epistaxis • Acute & chronic sinusitis • Sinonasal tumors (benign & malignant – common ones) • CSF rhinorrhea • Facial Fractures <p>Throat/Pharynx/Larynx</p> <ul style="list-style-type: none"> • Acute tonsillitis, peritonsillar abscess • Chronic tonsillitis • Adenoid hypertrophy • Obstructive sleep apnea (OSA) in ENT causes • Acute epiglottitis, laryngotracheobronchitis • Laryngopharyngeal reflux disease • Benign laryngeal lesions (vocal cord nodules, cysts, polyps) • Malignancies of larynx, hypopharynx • Vocal cord paralysis <p>Head & Neck</p> <ul style="list-style-type: none"> • Neck swellings (thyroid, lymph node, salivary gland)

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
	<ul style="list-style-type: none"> • Thyroid nodules & goiter (benign & malignant) • Oral cavity cancers • Salivary gland diseases (parotid, submandibular) • Cervical lymphadenopathy • Trauma neck, foreign bodies (aero-digestive tract) • Deep neck space infections <p>Emergencies</p> <ul style="list-style-type: none"> • Airway obstruction (foreign body, trauma, infections, edema) • Stridor – diagnosis & management • Epistaxis (anterior & posterior packing, cauterly) • Tracheostomy (elective & emergency) • Quinsy, Ludwig’s angina <p>Foreign body nose, ear, throat, oesophagus, bronchus</p> <p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p>
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>	

D. डीएनबी ऑर्थोपेडिक्स / DNB Orthopaedics:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)</p>	<p>A. Minimum departmental Beds: Increased from existing 25 to 30 beds with at least 30% general beds.</p> <p>B. Spectrum of essential Surgical Procedures in the department required:</p> <p>i. Trauma</p> <ul style="list-style-type: none"> • Closed reduction/cast application • Long bones nailing/plating • Intra-articular/peri-articular fracture • Pelvi-acetabular fracture fixation • Spinal stabilization • Debridement & external fixation • Paediatric trauma • Hip fractures fixation <p>ii. Spine</p> <ul style="list-style-type: none"> • Operative treatment for spinal infections • Discectomies- open/endoscopic/microscopic • Operative treatment for degenerative spine disease • Spinal biopsy

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
	<p>iii. Arthroplasty</p> <ul style="list-style-type: none"> • Hip & Knee <p>iv. Cold Orthopaedics</p> <ul style="list-style-type: none"> • Orthopaedics Infections • Orthopaedics Tumors <p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p>
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>	

E. डीएनबी एनेस्थिसियोलॉजी / DNB Anaesthesiology:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)</p>	<p>A. Revision of minimum existing accreditation criteria for Rotation Posting of trainees:</p> <p>Rotation of trainees in either Obstetrics or Gynaecology (both being core area of DNB Anaesthesiology) will be permitted at another NMC/NBEMS recognized centres.</p> <p>The other existing requirements / minimum accreditation criteria for rotation posting of trainees will remain unchanged.</p>
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>	

F. डीएनबी रेडिएशन ऑन्कोलॉजी / DNB Radiation Oncology:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)</p>	<p>2D-RT not mandatory to be in-house facility, if 3D-RT is available. However, 2 weeks externship for 2D-RT is necessary for exposure.</p> <p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p>
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>	

G. डीआरएनबी कार्डियोलॉजी / DrNB Cardiology:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria			
Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)	Revised Case mix:			
	S. No	Clinical / Surgical Procedures	Revised (Min. requirement) per year	Group
	1	Primary Percutaneous Coronary Intervention	75	CAD
	2	Coronary Angiography	900	CAD
	3	Elective Coronary Angioplasty	300	CAD
	4	Renal Angioplasty	Desirable	
	5	Peripheral Angioplasty and Stenting	24	Vascular
	6	Coarctoplasty	12	Vascular
	7	AAA stenting	12	Vascular
	8	Aortopulmonary Collateral Closure / coiling cases	15	Vascular
	9	Congenital (ASD/VSD/PDA)	60	Congenital
	10	Pericardiocentesis	12	Misc.
	11	IABP	24	Vascular
	12	Rota/IVUS/OCT/FFR	24	CAD
	13	Temporary Pacing	50	Arrhythmia
	14	Permanent Pacing	50	Arrhythmia
	15	Electro physiology and radiofrequency ablation	24	Arrhythmia
	16	Cardiac resynchronization therapy	12	Arrhythmia
17	Implantable cardioverter defibrillator	24	Arrhythmia	
The other existing requirements / minimum accreditation criteria will remain unchanged.				
एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.				

H. डीआरएनबी बाल शल्य चिकित्सा (प्रत्यक्ष 6 वर्षीय पाठ्यक्रम) / DrNB Paediatric Surgery (Direct 6 Years Course):

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria		
<p>Please refer to NBEMS Accreditation Information Bulletin (January - May 2026 Application Cycle)</p>	<p>A. Revision of Rotation Posting Duration:</p> <p>The existing rotational posting for DrNB Paediatric Surgery course is available & can be downloaded from “Download” link of NBEMS accreditation website https://accr.natboard.edu.in . Click the “Download” link and select the option “Rotational Posting” from the “Category wise filter” drop down menu, then scroll down for specialty name.</p> <p>The above rotational posting is applicable for both 3 years & Direct 6 years DrNB Paediatric Surgery courses.</p> <p>In addition to the above, following inclusion in the rotational posting, exclusively for DrNB Paediatric Surgery direct 6 years course have been approved:</p>		
	<p>Sr. No.</p>	<p>Department for Rotation</p>	<p>Duration of Rotational Posting</p>
	<p>1.</p>	<p>General Surgery</p>	<p>12 Months</p>
	<p>2.</p>	<p>Other Surgical Specialties</p>	<p>3 Months</p>
<p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p>			
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>
