Under-Graduate and Post-Graduate Dental Education Board

F. No. NDC/UGPG-DEB/Circular/2026/M-346

Date: 08.05.2026

Circular

Sub: Form to submit information on advanced qualifications obtained by dental professionals.

Greetings!

The Under-Graduate and Post-Graduate Dental Education Board (UG-PG DEB) of the National Dental Commission, Government of India, is in the process of compiling a national database of dental professionals who possess additional or advanced qualifications obtained from India or abroad in the following areas:

- Dentistry related (other than BDS/MDS)
- Allied sciences
- Health Professions Education or General Education

The purpose of this initiative is to systematically map the advanced qualifications available among dental professionals in the country.

The program/ course should meet the following criteria:

- The course should be of a minimum duration of 06 months;
- It should require successful completion through one or more of the following: a formal examination, or evaluation of a portfolio, or completion of coursework, project work, or residency leading to award of a qualification by University/Institute;
- It should not be limited to short courses, lectures, workshops, or webinars.

If you possess such qualifications, you are requested to fill out this form providing their details. Submission of the form implies your consent to share the required information with the National Dental Commission, New Delhi.

A Google form has been made to collect this information. If you possess such qualifications, you are requested to fill out the form at: <https://forms.gle/TQbPakaDTZLzbNfv9>. The form can also be accessed by scanning the QR Code:
