**Login for the online Institute allocation process**

The eligible candidate can access the online Institute allocation portal through link available after login in where they applied for INI-SS July 2026 Session.

To retrieve the login credentials, click on the **Forgot your login details** button in the registration/login Page.

The candidate will be able to login to the online Institute allocation portal and may begin the process of making choices (Institute and subject/specialty) and order the choices. The online Institute allocation portal will be remained open for date and time specified in the **schedule for online Institute allocation**.

## Making Choices

The eligible candidate can access the online institute allocation portal through link available after login in their login page where they have applied for INI-SS July 2026 Session. Click on **Institute Allocation** button to proceed to exercise choices (Institute and subject/speciality) and their order. To add a choice, choose the Institute and the subject/speciality from the two separate drop-down menus and click **Add choice**. To remove a choice, click on **Delete** button against that Choice (Institute and subject/speciality). Click on the **Save** button to save the choices of the Institute and subject/speciality and their order.

The default order of your choices (Institute and subject/speciality) will be the order in which you add choices (Institute and subject/speciality). To re-order your choices, use up and down arrows OR Drag and Drop the choice (Institute and subject/speciality) to the appropriate position in the list.

Candidates can make choices (Institute and subject/speciality), edit or reorder them as many times they wish UNLESS they have already submitted and locked the choices (Institute and subject/speciality) OR last date and time for that Round is over. The candidate must save the choices (Institute and subject/speciality) in case they wish to **add/delete/reorder** them at a later time point (before the last date and time for 1<sup>st</sup> Round).

## Submitting and Locking Choices

The candidate should click on the **Submit and Lock Choices** tab and tick the check box **I accept the declaration** and click on the submit and Lock choices (Institute and subject/speciality). Note that you will be prompted twice to reconsider and after you have submitted and locked your choices (Institute and subject/speciality), you cannot change it for further Round.

In case the candidate has made and saved choices but could not submit and Lock choices, the last saved choices (Institute and subject/speciality) and their order will be automatically considered as submitted and locked choices (Institute and subject/speciality).

## Viewing and Printing the Choices after submission

The candidate can view the choices submitted and locked by them by clicking on the **View choices** button after logging in the online Institute allocation portal. Click the **Print** button to take a printout.

In case of any discrepancy, please send a query to the Assistant Controller (Examinations) through the help/query section of the choice-making dashboard.
