Subject : National Patient Safety Conference - 11th & 12th September, 2026.

The National Patient Safety Secretariat (NPSS), Directorate General of Health Services (DGHS), Ministry of Health and Family Welfare (MoHFW), Government of India, in collaboration with the All India Institute of Medical Sciences (AIIMS), Nagpur, is organizing a two-day National Patient Safety Conference on 11th and 12th September, 2026 at AIIMS Nagpur, Maharashtra, in observance of World Patient Safety Day 2026.

2. The conference aims to bring together medical educators, healthcare professionals, policymakers, and other stakeholders to deliberate on various aspects of patient safety and quality of healthcare. The scientific deliberations and knowledge-sharing sessions during the conference are expected to assist faculty members of medical colleges—both Government and Private, established as well as newly established institutions—in strengthening patient care Standard Operating Procedures (SOPs), clinical protocols, and best practices, thereby contributing to improved patient safety and healthcare outcomes.

3. Medical colleges are requested to disseminate this information widely among their faculty members and facilitate their participation in the conference.

4. All medical colleges under the purview of the National Medical Commission are encouraged to nominate faculty members and other relevant healthcare professionals to participate in the conference and benefit from the deliberations.
