- Council's circular No. 539 dated 13.06.2025
- Council's circular No. 552 dated 01.07.2025

Sir/Madam,

This has a reference to the subject matter cited above where Council has already initiated the process for the implementation of AEBAS across all Pharmacy Approved Institutions and directed all institutions for the following steps i.e. Purchase of the AEBAS devices, onboarding and registrations on the <https://central.pci.ac.in/> and further processing for the faculty registration on the respective URL of the institutions.

However, it has been observed that approx. 2735 institutions have been successfully approved as on 07.08.2025 in place of approx. 6000 Institutions. In addition, approx. 12600 faculty are only onboarded on AEBAS under various institution but the count of approved teaching faculty on DIGI-PHARMed is approx. 95,000.

Therefore, it is again informed to all the institutions that they must onboard themselves on the AEBAS Portal i.e. <https://central.pci.ac.in/> and ensure their faculty are also registered on their respective URL on immediate basis within the next 15 days.

If any institution fails to initiate and complete this process within the stated timeline then council may withhold its decision regarding the institution accordingly, if required.

This issues with the approval of the Competent Authority.

**Yours Faithfully**

**Anil Mittal**

**Registrar-Cum-Secretary**
