1. INTRODUCTION

AIIMS BHOPAL

AIIMS Bhopal is one of the apex healthcare institutes being established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY), to correct regional imbalances in quality tertiary-level healthcare in the country, and attaining self-sufficiency in Graduate and Postgraduate medical education and training.

This Institute was established by an Act of Parliament on lines of the original All India Institute of Medical Sciences in New Delhi which imparts both undergraduate and postgraduate medical education in all its branches and related fields, along with Nursing and Paramedical training to bring together in one place educational facilities of the highest order for the training of personnel in all branches of health care activity.

1.1 About Joint-PhD Program

The PhD program jointly offered by AIIMS Bhopal and MANIT Bhopal aims to create a collaborative environment for doctors, engineers, and scientists to share knowledge and drive innovation. This initiative focuses on developing indigenous healthcare devices and systems through incubation and entrepreneurship. The program is structured to be flexible, fostering synergy between the skills of technologists and medical professionals. By integrating technology and medicine with entrepreneurship, it provides a unique platform for participants to develop innovative healthcare technologies, devices, and systems.

The **Joint-PhD Program** offers opportunity to PhD students enrolled in both institutions to collaborate with faculty members and research teams from AIIMS Bhopal and MANIT Bhopal on a multidisciplinary research project, as well as to take advantage of the facilities and professional development opportunities offered by both the institutions

1.2 Joint PhD Program Structure

1. Candidates who are interested in pursuing Joint PhD program (AIIMS Bhopal and MANIT Bhopal) can either apply to AIIMS Bhopal or MANIT Bhopal against their respective advertisements.
