I. INTRODUCTION

An Act of Parliament in 1956 (Amendment Act-2012) established the All India Institute of Medical Sciences (AIIMS) as an autonomous institution defined its objectives and functions. AIIMS is an Institute of National Importance (INI). As per section 2& 24, Institute has power to grant Medical, Dental or Nursing Degrees, Diplomas and other Academic distinctions and title under this Act. The degrees granted by the Institute under the All India Institute of Medical Sciences Act are recognized qualifications for the purpose of the Indian Medical Council Act 1956, Dentist Act 1948 and Indian Nursing Council Act 1947.

II. AIMS & OBJECTIVES

In the field of postgraduate and post-doctoral education, the most important function of the Institute is to provide opportunities to train teachers for medical colleges in the country in an atmosphere of research and development. Postgraduate and Post-doctoral students are exposed to newer methods of teaching and given opportunities to actively participate in teaching exercises. The other important objectives of the Institute are to bring together in one place educational facilities of the highest order for the training of personnel in all the important branches of health activity and to attain self-sufficiency in postgraduate medical education. The educational principles and practices being adopted are best suited to the needs of the nation.

III. SUMMARY OF EXAMINATION PATTERN

(Please see the text for details and explanations)

1	Mode of Examination	Computer Based Test (CBT) [Online]
2	Duration of Examination	90 Minutes Stage I & II
3	Date of Examination	7th February, 2026 (Saturday)
4	Centre of Examination	Delhi/NCR only
5	Number of Shifts	01 (One)
6	Timing of Examination	10:00 AM – 11:30 AM (1½ hr.)
7	Language of Paper	English
8	Type of Examination	Objective Type
9	Number of Questions	Stage I & II (30+40=70)
10	Type of Objective Questions	Multiple Choice Questions (MCQs)
11	Distribution of Questions	<p><u>Medical/Dental/Nursing Candidates</u></p> <p>Aptitude related covering English : 30</p> <p>Subject related : 40</p> <p><u>Non-Medical Candidates</u></p> <p>Aptitude related covering English : 30</p> <p>Subject related : 40</p>
12	Marking Scheme	<p>Correct Answer : One mark (+)1</p> <p>Incorrect Answer : Minus one-third (-)1/3</p> <p>Unanswered / Marked for Review : 0</p> <p>Not Answered : 0</p>
13	Method of Cut-Off	<p>At least 35 marks in Stage I and II (Combined) to be eligible for Stage III.</p> <p>Special weightage (described in the prospectus) will be added only for those candidates who score at least 35 marks in Stage I and II (combined) and are eligible for Stage III.</p>

		Candidates 3 times the number of seats advertised will be called for Stage III (Department clinical / practical / lab based assessment carrying 20 marks)				
14	Method of resolving ties	The tie cases will be resolved according to age (Date of birth), the older candidate shall get preference over the younger one.				
15	Candidates appearing in more than one subject, the following will apply to all:-	<p>➤ Stage-I (Aptitude related covering English) will consist of 30 Multiple Choice Questions (MCQs) with a duration of 40 minutes;</p> <p>➤ Stage-II (subject related) will consist of 40 Multiple Choice Questions (MCQs) with duration of 50 minutes.</p> <p>➤ The Total examination time for both stages will be 90 minutes, comprising 70 MCQs.</p> <p>Candidate must follow the following steps:</p> <ol style="list-style-type: none"> 1. The admit card will be issued for each applied subject separately which will include, in addition to the roll number, a login ID for each stage. The password for the examination will be announced in the examination hall. 2. First, all candidates has to attempt Stage-I using respective Login Id, which consists of 30 MCQs with a duration of 40 minutes and then submit their answers. 3. After submitting Stage I, candidates are mandatorily required to log in again with Stage – II login Id and attempt Stage II, which consists of 40 MCQs with duration of 50 minutes. 4. Candidates who have applied for more than one specialty/department must bring admit card of all applied subjects, failing which will be not be allowed to appear in respective subject for which admit card not brought at examination center. 5. Candidates who have applied for more than one specialty/department need to attempt Stage I only once using admit card of any subject where Login Id for Stage – I will be common for every subject. However, they must attempt Stage II for each subject separately one after other as per login Id mentioned in admit card of respective subject. 6. Candidates who have applied for more than one specialty/department are mandatorily required to bring in notice in advance before day of examination if have been issued admit cards containing different login Id for Stage I OR allocated different examination center for different subject, failing which will not be considered for subject in which will not be able to appear. 7. The result for each subject will be calculated independently by combining the scores from Stage I and Stage II and as per method of selection mentioned in the prospectus. 8. For PWBD candidates compensatory time will be as follows (if applicable): <table border="1"> <tr> <td>Compensatory time for Stage -I</td> <td>15 minutes in addition to 40 minutes i.e. 55 minutes</td> </tr> <tr> <td>Compensatory time for Subject related theory</td> <td>20 minutes in addition to 50 minutes i.e. 70 minutes</td> </tr> </table>	Compensatory time for Stage -I	15 minutes in addition to 40 minutes i.e. 55 minutes	Compensatory time for Subject related theory	20 minutes in addition to 50 minutes i.e. 70 minutes
Compensatory time for Stage -I	15 minutes in addition to 40 minutes i.e. 55 minutes					
Compensatory time for Subject related theory	20 minutes in addition to 50 minutes i.e. 70 minutes

Note:

- All seats in a department will be clubbed.
- Candidates will be eligible ONLY for seats in the department that they have applied for.
- Candidates will be allocated seats in order of their merit in the exam.
- Candidates WITH their Own Government Fellowship (OF) can select from both OF and Fellowship Available (FA) seats (where they fulfil the eligibility criteria for the seat)
- Candidates WITHOUT their Own Government Fellowship can select only Fellowship Available (FA) seats (where they fulfil the eligibility criteria for the seat)
- Successful candidates will be subjected to eligibility criteria of respective Project before admission.

- Candidates who are allotted a seat but do not join or resign after joining will not be eligible for any additional rounds of seat allocation.

C.GENERAL ELIGIBILITY

Eligibility for Ph. D course (Open candidates)

A candidate seeking admission to the course of study leading to the award of a Degree of Doctor of Philosophy must possess at least one of the following qualifications:

A. a). Medical qualification: MBBS/BDS with minimum 55% aggregate marks or MD/MS/MDS/DM/M.Ch. in the subject concerned or Diplomat of National Board of Examination.

Candidates who have obtained any of these degrees from medical colleges which are not recognized by the Medical Council of India shall not be eligible to apply.

b). Nursing Qualification: Candidates holding M.Sc. degree with a minimum 55% aggregate marks in Nursing Speciality will also be eligible for Ph. D admission in the College of Nursing.

B. Non-Medical – For non-medical candidate's eligibility shall be Master's Degree (two year's course) awarded by Indian Universities as per the requirement of the project. **It is clarified that there is no provision to consider any degree other than those listed against each seat in respective Departments in the Prospectus. No claims of similarity or equivalence by any candidate shall be entertained at any stage. In case of any application by a candidate with a degree other than those prescribed as eligibility criteria against each seat in the Prospectus, the candidate's application shall be cancelled and no further representations shall be entertained in this regard.**

Candidates holding M.Sc. (Other than M.Sc. Nursing) M.Tech. degree, BAMS & BHMS will be eligible for the Non-Medical Qualification Category. Candidate having eligibility under the non-medical category should have at least 60% marks in the last eligibility examination.

A candidate possessing Master's Degree through a distance learning course shall not be eligible.

(a) Special weightage for non-medical candidates:

(i) Candidates who have qualified for the below-listed National Entrance Tests leading to the award of a fellowship will be given special weightage in the entrance examination as detailed in the method of selection part of the guidelines. Such candidates should apply under the Own Fellowship (OF) category and upload proof of award of the qualifying fellowship in the online form.

- Joint CSIR-UGC NET for JRF
- ICMR – JRF
- DBT – JRF
- NBHM screening test

(ii) To be eligible for special weightage marks, **ALL** the following criteria must be fulfilled:

1. The result of the above listed National Entrance Tests must have been declared between **JANUARY 2024 and JANUARY 2026 (Last date of application)**.
2. The award of the fellowship must be based on the result of the above listed National Entrance Tests.
3. The fellowships should be tenable at AIIMS, New Delhi.

4. The letter of award of fellowship must be uploaded with the application form. Passing of the listed National Entrance Tests is not acceptable as proof of award of fellowship.

C. Eligibility for OF seats: To be eligible for OF seats, candidates must fulfil ANY of the following criteria:

1. Candidates who have qualified the National Entrance Tests leading to the award of a fellowship tenable at AIIMS **AND** are eligible for award of special weightage marks as provide in section **B (a)** above.
2. In-service or sponsored candidates who will receive their salary/stipend from the sponsoring/parent organization.

Note:

- I. ***NO OBJECTION CERTIFICATE:*** - *No objection Certificate to be uploaded on the online portal from the present employer (In case of candidates working in Government/Semi or Quasi Government/PSUs/Autonomous Bodies or any institution funded by Government) is mandatory; otherwise, candidature will not be allowed to appear in the examination. Therefore, candidates are requested to obtain the same before applying. Further, it is mandatory to produce the same NOC at the time of Document Verification.*
- II. Candidates, who are likely to complete the requisite qualification and degree by the last date for Registration of Online application i.e. 26th January, 2026 may also apply. All such candidates must submit a certificate on letter head of the College/University, signed and stamped by the Registrar/Dean/Principal, confirming that the candidate is likely to complete the eligibility qualification by **26.01.2026**, the last date for Registration of the online application. This does not apply to claiming Own Fellowship (OF), proof of which must be submitted before the last date of submission.
- III. Candidates who are completing their requisite qualification after the last date for Registration of Online application are not eligible to take this examination.
- IV. Completing the requisite qualification means that the final result of the qualifying exam must have been declared before the last date specified.
- V. Applicants from AIIMS Faculty/Scientific Staff for Ph. D. registration will be considered as in-service candidates as per guidelines laid down by AIIMS in this regard.
- VI. A candidate is allowed to submit an application for three specialties/departments only.

D. DURATION OF THE COURSE

1. The duration of the course shall be the period from registration to submission of the thesis. The minimum period of registration in respect of all the candidates who are registered for Ph.D. shall be three years. The maximum period of registration shall not exceed five years.
