Gentleman,

Sub: Reply to AiMeD regarding the letter related to outstanding payments to

APMSIDC –Regarding

Ref: 1. Letter Dated. 17.09.2021 with subject: Request for clearing the
outstanding payments of AMSIDC

This is with reference cited above, regarding the request for clearing the outstanding payments of suppliers by APMSIDC. The letter written by you is not clearly presenting the factual position and not actual representation of facts.

It is to inform that the issues raised by AiMeD with respect to non-clearance of outstanding dues for their members during the last 4-5 years is not at all tenable as majority of dues were paid and payment which has not been paid to the suppliers was only due to non fulfillment of tender clauses. Some of the suppliers did not submit the required documents such as agreement conclusion, mandatory installation certificates, performance certificates from end user etc. for bills processing and claimed that the amount is still pending for clearance. The detailed remarks against each outstanding payment claimed in your letter is enclosed as Annexure I.

This kind of news create false impression to the suppliers and hurt the state's image which is not all acceptable. Therefore, APMSIDC strongly denies this kind of

misinterpreted and false news as it is not in right spirit with respect to the honest efforts being put up by the state government in providing the best and quality services to the citizens.

Therefore, you are directed to verify the facts before taking such action and remove the notification from your website and issue clarification immediately so as to ensure healthy supplier relationship failing which appropriate legal action will be initiated against your association and firms for misrepresentation of facts.

Yours Faithfully
