No. U. 11026/1/2022-UGMEB

Dated the 31st March, 2022

Circular

Subject : Amalgamation of old and new batch of MBBS students in the new CBME Course Curriculum.

The aforementioned subject was discussed and deliberated in detail in the 6th meeting of National Medical Commission, which was scheduled to be held on 24th March, 2022 at New Delhi.

2. It has been unanimously decided in the said meeting of the Commission that the old and new batch of MBBS students should be amalgamated in the new CBME Course Curriculum for MBBS students from the current academic session i.e. 2021-22 with the objective of covering all three domains of learning (Cognitive, affective & Psychomotor), subject to informed written consent of the students. The new course curriculum introduced in August 2019 enriches the medical student with a sound base and balanced approach to overall aspect with the introduction of foundation course which includes Family Adoption Programme, Yoga, meditation, Local Language adaptation and skills. The curriculum committee of the erstwhile MCI has aligned and integrated the basic knowledge of pre and Para Clinical Subject with the clinical Subjects. Earlier clinical exposure, AETCOM module, Problem based learning, Domain wise education and exposure, developing interest in basic research is likely to bring a positive impact and enhancement in job opportunities to these young graduates.

3. All Registrars of the University and the Deans/Principals of the medical college are requested to complete the required formalities with regard to amalgamation of old and new batch of MBBS students in the new CBME Course Curriculum on priority.
