Sub: Guidelines for Central Government Nomination (CGN) to MD
(Ayurveda/Unani/ Siddha and Homoeopathy) Courses for the session 2021-22- reg.

Sir/Madam,

I am directed to invite your attention to this Ministry's letter No. Y.11030/5/2020-EP-III dated 02.06.2020 (**copy enclosed**) wherein the revised guidelines on the above subject were issued for the academic session 2020-21 indicating at para 7 that the instructions and guidelines contained therein shall remain valid for subsequent academic years unless modified or amended.

2. In this regard, it is to state that the above mentioned PG Guidelines have been reviewed by this Ministry and it has accordingly been decided to clarify that:

"Government-run medical institute/institution – means institutes/institution run either by State/UT Government or Central Government."

3. Further to this, there is no change in instruction and guidelines contained in the enclosed PG Scheme Guidelines dated 02.06.2020, it is informed that the same shall also be applicable for the current academic session 2021-22 except for closing dates of applications.

4. All applications for nomination to MD/PG courses for the academic session 2021-22 of Government Teachers/Medical Officers (Doctors)/Research Officers, who are not subject to any entrance test as per provision-at **point 2.4** of the Scheme Guidelines, are to be forwarded to this Ministry. The letter containing applications for nomination to MD/PG courses of the willing/eligible Government candidates of all deficient States/UTs should, therefore, be addressed to the Secretary of this Ministry and should reach this Ministry latest by **October 29, 2021** except for North Eastern

Contd...2

States. The last date for receiving applications of CG Nomination from North Eastern States for 2021-22 will, however, be **November 15, 2021**. Applications received after closing date(s) are liable to be rejected. Applications of other candidates (Private) from deficient States/UTs may be forwarded to the concerned Institute(s) directly for admission and under no circumstances to this Ministry as per provision at point 4.4.

5. Keeping in view above, all the State/UT governments/administrations and concerned institutions are once again requested to bring the above date of receiving applications admission to **AYUSH PG** courses to the notice of all the beneficiaries and also take further necessary action accordingly in the matter. There is, however, no other change in the rest of the instructions & provisions contained in the above quoted Guidelines dated 02.06.2020.

6. This issues with the approval of the competent authority.

Yours faithfully,

Encl: as above

F.No. Y.11030/5/2020-EP-III
Government of India

Ministry of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy

'AYUSH BHAWAN', B-Block,
GPO Complex, INA,
New Delhi-110023
Dated: 02nd June, 2020

To

The Principal Secretary/Secretary (Health)/Commissioner AYUSH of all States/UTs.

Sub: Comprehensive Revised Guidelines for Central Government Nomination (CGN) to MD (Ayurveda/Unani/Siddha and Homoeopathy) Courses for the session 2020-21- regarding.

Sir,

As you are aware that to meet the resurgence of interest in Ayurveda, Siddha, Unani & Homoeopathy (ASU&H) medicines in India & abroad and also in pursuance of the 55th Report of the Department Related Parliamentary Standing Committee on Demand for Grants, few seats in ASU&H PG/MD courses are reserved under 'Central Pool' in few donor institutes of the country for the students/candidates of the States/UTs, where the colleges of the respective system/speciality is not available, for studying Post Graduate (PG) Courses. The same is in implementation through existing PG/MD Scheme Guidelines (A.Y.2019-20) bearing F.No.R.14016/2/2019-EP-II dated 24.4.2019 for Central Government Nomination (CGN).

2. In this regard, I am directed to state that the above mentioned PG Guidelines have been reviewed by this Ministry and it has accordingly been decided that in supersession of all previous guidelines on the subject, the following Comprehensive Revised Guidelines for Central Government Nomination (CGN) to MD (Ayurveda/Unani/Siddha and Homoeopathy) Courses shall take effect from the academic session 2020-21. For the purpose of this Scheme Guidelines, the meaning of the following words is as under:

- a) Deficient State/UT – means in which State/UT no Government-run college of the respective system/speciality of MD/PG courses for study is existed.
- b) Eligible candidates – means candidates belonging to deficient States/UTs, where the colleges of the respective system/speciality is not available for studying MD/PG Courses, are only eligible for nomination/admission under the 'Central Pool' reserved seats in donor institutes of this Scheme.
- c) Donor Institutes – means in which institutes seats under 'Central Pool' are reserved for Central Govt. Nomination (CGN) of candidates.
- d) Sponsored candidates – means nominated candidates, who are employees of any deficient State/UT Govt.-run medical institutions, for Central Govt. Nomination (CGN) whose emoluments would be borne during study period of the course by the concerned sponsoring deficient State/UT Govt., as per their existing rules in this regard and not by any donor institute or by this nominating Ministry.
- e) Private candidates – means aspirants/interested candidates who are not in service of any Govt.-run medical institution of the deficient States/UTs and nominated by such States/UTs for admission under 'Central Pool' reserved seats in donor institutes.

Contd....2.

2.1 Eligible sponsored candidates i.e. Teachers/Medical Officers (Doctors), Researchers (Research Officers) are to be recommended/nominated by the deficient State/UT Governments for nomination as Central Government Nominees (CGN) for admission in M.D/PG Courses against the seats earmarked under 'Central Pool' by the donor institutes/colleges as Government of India's nominees.

2.2 Eligible Private candidates are to be nominated as Central Govt. Nominees by the deficient States/UTs for admission in MD/PG courses (i.e Ayurveda, Unani, Siddha and Homoeopathy) against seats earmarked under 'Central Pool' by the donor institutes/colleges under this Scheme.

✓ 2.3 While making recommendation/nomination against Government of India's Nominees; preference will be given to regular teaching staff with 3 years' regular service of any Government-run medical institution. If no eligible teaching staff with 3 years' regular service of State Government-run medical institution is available for nomination, Medical Officers(M.Os) and Research Officers (R.Os) working on regular basis and have rendered 3 years' regular service in the Government will be nominated as Government of India nominees. However, only one eligible 'Research Officer (R.O)' would be nominated by this Ministry in each stream per year (academic session) for admission in MD/PG Course under this Scheme (i.e Ayurveda, Unani, Siddha and Homoeopathy) against reserved seats under Central Pool. If neither a Teacher nor a Medical Officer or a Research Officer working in the Government is available for nomination; the vacant seats under 'Central pool' in donor institutions will be filled up by the eligible private candidates recommended/nominated by deficient States/UTs. In case, no Central Government Nominee (i.e. either Teacher or Medical Officer or Research Officer) or Private candidate recommended/nominated by deficient States/UTs is still available, the vacant seat under 'Central Pool' will be filled up by open category candidates by the donor institute according to the merit of the All India Ayush Post Graduate Entrance Test (AIAPGET) conducted by NTA.

2.4 The Government Teachers/Medical Officers (Doctors)/Research Officers shall not be subjected to the above entrance test (AIAPGET). However, the private candidates recommended/nominated by the deficient States/UTs shall be admitted on the basis of marks obtained by them in the above entrance test (AIAPGET). They will have to apply to the concerned donor institute, in pursuance to the notification/prospectus published by the respective donor institute in each academic session, through their respective deficient State/UT Govt. by recommending/nominating their candidatures for admission.

2.5 No sponsored candidate will be paid any emoluments by the donor institution or by this Ministry during such study period. Payment of any remuneration in this regard is the responsibility/liability of the recommending/sponsoring deficient State/UT Govt. concerned as per their existing rules in this regard. While recommending/sponsoring the nomination of the in-service applicant, the concerned deficient State/U.T. Govt. will have to certify the deficiency in the concerned discipline (speciality) in their State/UT. The concerned deficient State Govt. /UT shall also give an undertaking in this regard and also provide a certificate that the nominated candidate in the event of his/her selection shall be released from his/her duty at the time of commencement of the academic session.

3. Details of donor institutes and seats made available in this Scheme under 'Central Pool' for Central Govt. Nomination(CGNI) to MD/PG courses have been listed out in enclosed Annexure-I.

Contd....3

4. In addition to the above, for sponsoring/nominating candidates against the Central Pool, all the deficient State/UT Governments may also follow the below mentioned provisions:-

4.1 All the deficient State/UT Governments are requested to take steps to nominate/sponsor their eligible candidates in time.

4.2 While nominating/sponsoring the candidates, the deficient State Governments and Union Territory Administrations are required to give priority to the regular teaching staff with 3 years' service in Government-run medical institutions. In case, no teaching staff of Government-run medical institution is available for sponsoring/nominating, Medical Officer and Research Officers working on a regular basis for 3 years in Government may be sponsored/nominated. Further, following points may also be kept in mind while nominating/sponsoring candidates:-

- (a) The deficient State Governments and the Union Territory Administrations may invariably inform their nominating/sponsoring candidate(s) that once his/their candidature(s) is/are recommended to this Ministry for CG Nomination under 'Central Pool', he/they should not be allowed to withdraw his/their nomination under any circumstances. In case, any nominated candidate (CG Nominee) is still compelled to withdraw his/her nomination for admission as CG Nominee, he/she would be barred at least for 2 years from future nomination as CG Nominee (CGN).
- (b) Similarly, the deficient State Governments and the Union Territory Administrations may invariably inform their nominating/sponsoring candidate(s) that once the nominated/sponsored candidate is nominated by this Ministry as Central Government Nominee (CGN) at his/her preferred Institute with preferred subject, he/she is not usually permitted to change his/her nominated institute/subject on personal ground.
- (c) Further, the nominating/sponsoring deficient State/UT Govts. need to issue required relieving order in time and also to provide required deficiency certificate etc. early in respect of their nominees for Central Govt. Nomination (CGN) against 'Central Pool' to facilitate their admission in time in respective donor institutions. Deficient State/UT Govts. are to nominate/sponsor only the name(s)/candidature(s) of such number of their official(s), whom they would be able to relieve immediately on their final selection/nomination by this Ministry as 'Central Govt. Nominee (CGN)'. Any delaying practice in issuing the relieving order or providing deficiency certificate to Central Govt. Nominees (CGN) would jeopardize the very purpose of this Scheme.

4.3 Applications of sponsored/in-service Government Teachers/Medical Officers-Doctors/Research Officers may only be forwarded by the deficient State/UT Govts. to this Ministry. The forwarding letter should be addressed to the Secretary, Ministry of AYUSH and should reach this Ministry latest by 14th August, 2020 and for North Eastern States, the last date will be 31st August, 2020, for the academic year 2020-21. Applications received after the closing dates are liable to be rejected.

Contd....4

4.4 Applications of eligible private candidates from deficient States/UTs should be forwarded to the concerned donor institutes directly by the nominating deficient States/UTs Govts. for admission, as per Prospectus/Notifications of the donor institute in this regard and under no circumstances to this Ministry.

4.5 Applications of sponsored/in-service Government Teachers/Medical Officers (Doctors)/Research Officers shall only be scrutinized by this Ministry keeping in view their seniority, subject of teaching etc. and also date of birth(D.o.B), if necessary, while nominating them as Government of India's Nominees (CGNs). The Central Govt. reserved seats of MD/PG courses under 'Central Pool' in the donor institutions should be allotted to the Central Government Nominees (CGNs) by the respective donor institute strictly on the basis of the seniority and choice of institute/subject opted by the Central Govt. Nominees (CGN) and also on availability of seat in the institution. Other private candidates, nominated by the deficient States/UTs, shall have to appear in the entrance test (AIAPGET) for this purpose. They will be admitted on the basis of marks obtained by them in the above entrance test (AIAPGET) subject to obtaining qualifying marks in the test as specified in PG Regulations of concerned System. For admission of such Private candidates or open Category candidates against Central Pool seat or seat fall vacant due to non-acceptance of nomination by any Central Govt. Nominee (CGN), the donor institutes shall give admission to such candidates without referring to this Ministry seeking further direction/approval.

4.6 All the applications of in-service sponsored candidates may be sent simultaneously and not separately in the enclosed proforma (**Annexure-II**) duly filled in within the above stipulated date(s). Incomplete application will be rejected and no further correspondence in this regard shall be entertained.

4.7 It may also be certified by the deficient State/UT Government that the specialities for which the sponsored/nominated candidate has applied for does not exist in any Govt. Institute/College in their State/UT. It should also invariably be mentioned in the recommendation letter that the approval of State Health Secretary has been obtained in respect of all the sponsored in-service applicants. However, the list of private nominated candidates may be forwarded for admission directly to the donor institute by the competent authority of the deficient State/UT, as per their rules/norms.

4.8 The Government Teachers/M.O (Doctors)/Research Officers(R.Os) having rendered minimum three(3) years' regular service as on **1st June of concerned academic year** may only be recommended for Central Government Nomination(CGNI). While there is no maximum age limit for nominations, it is required to be ensured that only such Government employees, whether a Teacher or a Medical Officer or a Research Officer, are nominated who shall be able to serve the Government for at least 05(five) years after completion of the MD/PG course under this Scheme.

5. The donor institute shall also prepare a separate merit list for admission of private candidates nominated and forwarded by the deficient States/UTs. They shall, however, be admitted against the vacant seats available, if any, after admitting the Government Teachers/Medical Officers (Doctors)/Research Officers nominated by this Ministry. Teaching institutions (donor institutions), which have earmarked seats for utilization by this Ministry, will send Prospectus/Information Bulletin

Contd...5

to this Ministry immediately on its publication and also provide to the private candidates from deficient states seeking admission under 'Central Pool' seats to M.D/PG courses. The teaching institutions will fill up the seats earmarked for Central Government Nominee (CGN) only after getting the direction from this Ministry. The donor institutes/colleges shall account for these seats provided under Central Pool for the purpose of reservation for SC/ ST/ OBC etc.

6. The Medical Colleges/Institutions (donor institutions), mentioned in Annexure-I, are required to conform to the requirements of the Indian Medicine Central Council Act, 1970 and Homoeopathic Central Council Act, 1973, as amended from time to time, and the Regulations of the Central Council of Indian Medicine and Central Council of Homoeopathy. The candidate who applies for being nominated/sponsored by deficient State/UT must be informed upfront in writing that his/her actual admission in the college/institution or the course concerned shall depend upon and be subject to the college/institution concerned having received the requisite permission for the MD/PG courses offered for that relevant academic year including this year 2020-21 of the Central Government as the Administrative Divisions of this Ministry are yet to finalize grant or denial of permission to the ASU/Homoeo Colleges/Institutions for the academic session 2020-21.

7. The above instructions and guidelines shall remain valid for subsequent academic years unless modified or amended.

8. This issues with the approval of the competent authority

Yours faithfully,

(Dr.S.R.K. Vidyarthi)

Director
