

CONFERENCE WORKSHOPS

Meducon-2023

Proposals are invited from interested individuals and MEU Teams to conduct in-conference workshops on 29th September, 2023 (between 4 pm and 5 30 pm) in various areas of Medical and Health Profession Education. Please find the details in the attached advertisement and apply for the same once the MEDUCON website goes live. The abstract for the workshop should reach the conference secretariat at (<https://ijpmermeducon.com/>) **by 15th May 2023**. The duration of the conference workshop can range between **60 to 90 minutes**. The proposals will be assessed by the scientific committee and the **six** most relevant proposals will be selected for participation. The subject of the workshop must be in the area of medical or health professional education. It can be in any subject related to educational science. However, clinical research, will not be considered. The workshop will have to be conducted on-site in the conference venue. **All selected resource faculty of the workshop must register for the conference**. No TA/DA or honorarium will be paid by the Conference Organizers.

The themes for the in-conference workshops include the following:

1. Mentoring in medical education
2. Assessment
3. Surgical education
4. Designing and planning learning
5. Educational management and evaluation
6. Curriculum governance
7. Supporting learners
