The Candidates can register their options online by clicking the menu '**Option Registration**' available in the home page. A security deposit / option registration fee of **Rs. 10,000/-** will have to be paid at the time of option registration. For SC/ST/OEC and other candidates who are eligible for fee concession, **Rs.5000/-** will have to be paid as security deposit. The registration fee once paid will not be allowed to change at any instance. The registration fee of those candidates who do not get allotment will be refunded after the completion of entire counseling process. The registration fee will be adjusted to the course fee if a candidate gets allotment. The registration fee of those candidates who do not join within the stipulated time after getting the allotment and those candidates who quit the seats after taking admission will be considered as penalty and will not be refunded.

In the **second phase counseling**, there is no facility for fresh option registration for the candidates. Only option confirmation /deletion/re-arrangement of the existing options is possible. Option confirmation is compulsory to participate in Round 2. Option registration will be available only if any new course is added to the list at this stage. If a candidate is allotted a seat in the first round and joined the allotted seat, his/her higher options will be retained and all those options listed below the allotted option will automatically be deleted thus enabling only upgradation/retention in the same seat. After the first two rounds of counseling, **third/final round counseling** will start, which offers fresh option registration to candidates.

The conversion of seats if any will be carried out during the final round of allotment. A fresh option registration fee will be implemented to all candidates, who register fresh options in the final round. After the final round allotment, if any vacancies exist or arise, those vacancies shall be filled through **Stray vacancy filling allotment**. This may be conducted in online or offline mode and will be decided upon by the CEE at the time.

Candidates who seek admission under Minority/NRI quota in Self Financing Dental Colleges shall have to register options online to the desired courses/colleges, during the time of online option registration for first phase itself. The allotment to service quota seats will be conducted during the subsequent phases of allotment. However, those service quota candidates who wish to get allotment other than service quota seats should give options in this phase itself. Candidates who do not register options shall not be considered for allotment under Minority/NRI quota even if they are included in the respective category lists.
