Circular

Sub: Introduction of QR Code-Based Hall Tickets for Examinations
from April 2024 Onwards

In an ongoing effort to streamline our examination processes and enhance the security and verification procedures.

Rajiv Gandhi University of Health Sciences (RGUHS) is introducing QR Code based hall tickets for all university examinations, effective from April 2024. This new system aims to reduce the risk of impersonation activities and ensure a more efficient and secure examination process. Each hall ticket will be equipped with a unique QR code containing the credentials of the candidates, as available in the university database. The OTP based link in the QR code is accessible only to the observer/squad appointed for the theory examination centres.
