Sir/Madam,

In continuation to DCI's letters under reference on the subject mentioned above, I am directed to state that the Executive Committee of DCI in its meeting held on 29.07.2021 considered the matter of non-furnishing the copy of valid 'NAAC Accreditation Certificates' to this Council, by the most of the dental colleges, which is mandatory as per clause 9 "Accreditation of Dental Institutes in the country by National Assessment and Accreditation Council (NAAC) is mandatory" of the Dental Council of India (Miscellaneous) Regulations, 2007 and after discussion and deliberation decided as under:-

NAAC Accreditation is mandatory for every dental college in the country, as per clause 9 of the Dental Council of India (Miscellaneous) Regulations, 2007 notified in the official gazette on 29.06.2007 but even after issuing repeated reminders by DCI, only a few dental colleges have made themselves accredited by NAAC and furnished the necessary certificate to the DCI office in this regard. Therefore, all the concerned Dental colleges, those have not yet got themselves accredited with NAAC, are strictly advised to get the same and submit the certificate to DCI office within six months otherwise necessary action, as per rules, will be initiated against them. A circular to this effect be issued to the concerned Dental College.

2. Accordingly, the above said decision of the Executive Committee of DCI is communicated to you for your information and further necessary action in the matter, with a request to get your college NAAC accredited and furnish a copy of certificate to DCI office within six months from the date of issue of this letter.

Yours faithfully,

(Vinay Gupta)

### DENTAL COUNCIL OF INDIA

No.DE-156-2011/ 2012

Dated the 17 February, 2012

To

The Principal of all the  
Dental College in the country

Subject: Accreditation of Dental Institutions in the country by National Assessment and Accreditation Council (NAAC).

Sir/Madam,

I am directed to state that the Executive Committee of the DCI in its meeting held on 08.02.2012 noted that one of the pressing concerns repeatedly raised in all forums is the questionable quality of our institutions of higher education and learning. NAAC was established in 1994 in response to the findings of the national policy of education and UGC had mandated that all institutions of higher learning be brought under the accreditation and assessment process of NAAC to ensure best practices and qualitative standards in teaching institutions.

The Executive Committee also noted that the Regulation 9 of the Dental Council of India (Miscellaneous) Regulations 2007 regarding accreditation of Dental Institutions in the country by National Assessment and Accreditation Council (NAAC) is mandatory, and after some discussion decided as under:

That all the dental institutions to be brought the following provisions of the Dental Council of India (Miscellaneous) Regulations 2007 for their ready reference.

9. Accreditation of Dental Institutions in the country by National Assessment and Accreditation Council (NAAC) is mandatory.

The Executive Committee also resolved that the existing provisions of the regulations be implemented and all the dental institutions in the country should be NAAC accredited within the next 3 years.

4. In view of the above decision of the Executive Committee, I am directed to request you to kindly get accreditation of your institution by National Assessment and Accreditation Council (NAAC) at an early date and furnish the status report to the DCI. The complete address of NAAC is as under:
