The candidate eligible for UR category seat as per merit can opt as per choice filling any seat from the available seats meant for UR and he / she can opt any seat of a particular course according to his /her choice from any of the available Colleges. Candidates will be allotted seats as per merit if they fulfill other eligibility criteria. The seats of UR category seats will be distributed first as per Merit List followed by EWS, ST, SC, PwD and WESM category seat as per availability.

In this case, his/her admission should not be counted against the quota reserved for ST/SC Category, i.e. No seat can be reduced from the quota of concerned reserved category. As the candidate is eligible for UR seat on his/her own merit, one UR seat will be reduced from UR Quota and the reduced seat would be compensated to the seats reserved for the ST/SC category so that the number of seats reserved for ST/SC category for this particular course is not reduced by the aforesaid case.
 - (c) If no seat meant for UR is available for a particular course, say MBBS, then a candidate of ST/SC Category will be offered to opt any seat from the remaining courses meant for UR and including the seats of MBBS which are available for ST/SC Category. (Substitutions and additions shown in bold for bringing more clarity)

4. Two examples cited below to explain some points of the aforesaid procedure:

Example – 1

The candidates shall be **distributed seats as per Tripura State Merit List (TSML)** merit position 1, TSML merit position 2, **TSML** merit position 3, **TSML** merit position 4 and so on. Suppose Ajay Debbarma, a candidate of ST category having **TSML** merit position 4 shall have to be allotted a seat from these following available seats of MBBS course as shown below:

Course	Institution	Category		
		UR	ST	SC
MBBS	RIMS	03	04	02
	AGMC	38	21	13

Then a seat of MBBS course will be allotted to Ajoy Debbarma from the seats meant for UR at RIMS, Imphal according to his choice, if he has filled RIMS Imphal as first preferred Institute choice. After his selection the available seats are shown below:-

Course	Institution	Category		
		UR	ST	SC
MBBS	RIMS	02	04	02
	AGMC	38	21	13

Example – 2

Again Debasish Das, a candidate of SC Category having **TSML** merit position 8 shall have to be allotted a seat from these following available seats as shown below :-

Course	Institution	Category		
		UR	ST	SC
MBBS	RIMS	00	01	02
	AGMC	38	21	13

Debasish has filled his first preferred choice as MBBS Seat at RIMS, Imphal. But no seat for UR at RIMS is available but seat for UR is available in AGMC. In that case he will be allotted a seat at RIMS from the seat meant for SC category as a UR candidate. As he is eligible to get a seat from seats meant for UR, a seat reserved for SC Category for this particular course is not reduced by any means for the aforesaid case. Since now 01 (one) of the 02 (two) SC seats in RIMS is filled by an UR candidate who is an SC, so 01 (one) UR seat is decreased from the total UR seats of AGMC making it 37 and 01 (one) SC seat is increased in AGMC making it 14. The available seats after allotment are shown below:-

Course	Institution	Category		
		UR	ST	SC
MBBS	RIMS	00	01	01
	AGMC	37	21	14

All candidates irrespective of their categories will be considered for Institutions indicated as per their preferences.

If a candidate belonging to reserved category is allotted a seat as per above-mentioned allotment, then he/she will be considered to have filled the UR category seat and not the reserved category seat.
