Subject: Request for clarification regarding publication of MBBS Final Year examination datesheet

Respected Sir/Ma'am,

The Democratic Medical Association (DMA India), a national body representing medical students and doctors across the country, humbly submits this representation on behalf of all MBBS Final Year students affiliated with the University of Jammu.

We wish to draw your kind attention to the fact that the MBBS Final Year examination (Batch-2021) consists of multiple major clinical subjects with a vast and extensive syllabus. Timely publication of the examination datesheet is essential for Batch 2021 students to plan their preparation, clinical postings, I-revisions, and academic commitments in a systematic and effective manner.

At present, due to the non-publication of the MBBS Final Year examination datesheet, students are facing significant uncertainty and difficulty in organizing their study schedules. This lack of clarity is causing unnecessary academic stress among final year students, who are at a crucial stage of their medical education.
