NOTIFICATION

(For application of Internship)

1) FOR FOREIGN MEDICAL GRADUATES

This is to inform all the concerned that National Medical Commission (NMC) has issued a circular dated 04/03/2022 vide Memo No. U15024/4/2022-UGMEB regarding the guideline for registration of Foreign Medical Graduates for their internship (externship) in different medical colleges in the country. Considering the above circular, candidates who are applying for NOC before The West Bengal University of Health Sciences (**WBUHS**) for their compulsory rotational internship (externship) may deposit the following documents along with their application.

- 1) Passed certificate of Foreign Medical Graduate Examination (FMGE) conducted by National Board of Examinations.
- 2) NOC from the Principal/ Dean of the college in which the candidate wants to do his/her internship (externship).
- 3) A letter from Dean/ Principal indicating the name of candidate along with certifying that the total intake of extern is not more than 7.5% of the total permitted seats in the college.
- 4) Principal/ Dean shall also ensure that no fees is charged by the medical college from the FMGs for permitting them to do their internship.
- 5) The stipend and other facilities to FMGs should be extended equivalent to Indian Medical Graduates being trained at Government Medical Colleges as fixed by the appropriate authority applicable to the Institute/ University or State.
- 6) NOC from West Bengal Medical Council.
- 7) All relevant documents i.e. MBBS passed certificate, passport, visa, ID proof. etc.

2) FOR INDIAN MEDICAL GRADUATES

As per Gazette of India and notification issued by NMC dated 18/11/2021 All Indian Medical Graduates shall complete their entire period of compulsory rotating internship training (CRMI) in the institution where they have pursued and completed their Bachelor of Medicine and Bachelor of Surgery (MBBS).

3) INTERNSHIP FOR NON-REGULATORY COURSE

It has been decided that the students of the non-regulatory courses will also have to undergo their internship in their own colleges where they have completed the study. If any college do not have the infrastructure of internship programme, the students can complete their internship from those hospitals which are attached with their college.
