Subject:- Advisory for utilizing services of doctors with the approval of the competent authority.

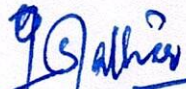

## Advisory

In terms of the prevailing notified policy for grant of permission for pursuing higher study/tenure posting in favour of in-service doctors issued by the Department vide Government Order No. 905-JK(HME) of 2019 dated 17.10.2019, Government Order No. 479-JK(HME) of 2021 dated 08.07.2021 and Circular No. 18-HME of 2020 dated 29.12.2020, the Health and Medical Education Department conveys necessary NOC in favour of in-service doctors every year. Based on the NOC, the doctors who get selected for the courses proceed for pursuing higher studies/tenure postings in various health Institutions within or outside the Union Territory of Jammu and Kashmir.

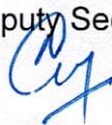

After completion of the studies/tenure postings, the doctors approach the concerned Directorates of Health Services, Jammu/Kashmir for re-joining which utilize their services at their own level without seeking prior approval of the Administrative Department. By virtue of this, the Administrative Department is kept unaware about the whereabouts of these doctors who join back the Department.

Accordingly, it is impressed upon both the Directorates of Health Services, Jammu/Kashmir to ensure that the adjustment/posting proposals of utilizing the services of in-service doctors, who report back to the parent Directorates, are submitted to the Administrative Department for necessary approval.

Henceforth, no such adjustment/posting order shall be issued by the Directorates at their own level without prior consultation/consent of the Administrative Department.

  
(Javed Iqbal) JKAS

Deputy Secretary to the Government

  
Dated: 15.02.2024
