

No. CDN-20011/13/2023-Coord-NMC
Government of India
National Medical Commission
(Coordination Division)

वसुधैव कुटुम्बकम्
ONE EARTH • ONE FAMILY • ONE FUTURE

Pocket- 14, Sector- 8,
Dwarka, Phase-1, New Delhi-77
Dated the 20th March, 2023

To

The Dean & HoD
Pathology Department,
All medical Colleges (private and government) under NMC.

Sub: Linkage of Medical College Hospitals recognized by the National Medical Commission that provide cancer diagnosis and treatment with National Cancer Registry Program – regarding.

Sir/ Madam,

National Cancer Registry Program (NCRP) of Indian Council of Medical Research (ICMR) was launched in 1981. It guides National Cancer Control Programme by providing regular evidence on morbidity and mortality of cancers in the country. National Centre for Disease Informatics and Research (NCDIR), Bengaluru is the unit of ICMR managing the registry.

2. In order to meet the need of research and development for diagnosis, treatment and effectively monitoring for control of cancer, all Medical Colleges/ Institutions (Private and Government) providing cancer diagnosis and treatment are advised to register themselves with National Cancer Registry of ICMR. For coordination and linkage related queries, details of the nodal officer from ICMR is as under:

Dr. Prashant Mathur
Director, ICMR-NCDIR, Bengaluru
Email: director@ncdirindia.org; director-ncdir@icmr.gov.in
Contact: +91 94823 47643.

3. This issues with the approval of Chairman, NMC.

Encl: as above.

Yours faithfully,

(K. Srinidhi)

Under Secretary, NMC
