**Prayer:** Writ Petition is filed under Article 226 of the Constitution of India praying to issue a Writ of Mandamus, directing the Respondent Nos.2 to 4 to treat the Petitioner's bond period as completed and further direct the 5<sup>th</sup> Respondent to release the Petitioner's pending salary from 01.09.2024 to 05.12.2024, issue an experience certificate, and provide a relieving order from bond service.

For Petitioner : M/s.Suhrith Parthasarathy

For Respondents : Mrs.M.Sneha,  
Special Counsel

### **ORDER**

Writ petition is filed for issuance of a writ of mandamus, directing respondents 2 to 4 to treat the petitioner's bond period as completed and further direct the 5<sup>th</sup> respondent to release the petitioner's pending salary from 01.09.2024 to 05.12.2024, issue an experience certificate, and pass a relieving order from bond service.

2. The petitioner completed post-graduation (MS) at the Government Stanley Medical College. As a non-service doctor, the petitioner executed a bond obligating her to serve the Government for two years on completion of the post-graduation. The petitioner also submitted her original educational certificates at the time of admission to the respondents. After completing the post-graduate studies in May 2021, the petitioner did not receive posting orders for nearly a year

and so, she filed a writ petition in W.P.No.13726 of 2022 before this court,

seeking return of the original document and certificates. This court vide order

dated 03.06.2022, directed the college to return the documents and the said order

was duly complied. On 07.07.2022, the petitioner was issued posting order

assigning her to the 5<sup>th</sup> respondent college for a period of two years. Even though

the posting order was delayed, the petitioner joined services on 18.07.2022. The

petitioner availed maternity leave from 25.07.2022 to 24.07.2023 and also unpaid

leave from 25.07.2023 to 05.12.2023, and thereafter rejoined the service on

06.12.2023. The petitioner states that on lapse of two years from the date of

completion of the course, the bond period concluded and therefore the petitioner

formally resigned and submitted a request on 06.12.2024, to be relieved from

service. As the 5<sup>th</sup> respondent did not respond to the petitioners request, the

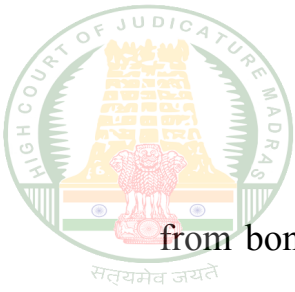

petitioner filed the above writ petition for the aforesaid relief.

3. The facts narrated above are not disputed and hence not traversed.

Suffice it to state, that the petitioner completed her bond service and therefore

according to the petitioner, the 5<sup>th</sup> respondent was bound to pay her the salary from

01.09.2024 to 05.12.2024, to issue experience certificate and pass relieving order

W.P.No.8959 of 2025

from bond service. As the respondent did not respond to the petitioners request, the petitioner is before this court.

4. The respondents have not disputed that the petitioner has completed her bond service, if so, in my view, on the completion of the bond period, the respondents are bound to pay the petitioner salary from 01.09.2024 to 05.09.2024, to issue experience certificate and pass relieving order from bond service. I am therefore inclined to issue the mandamus as prayed for.

5. In view of the above discussions, the 5<sup>th</sup> respondent is directed to release the petitioner's salary from 01.09.2024 to 05.12.2024, issue experience certificate and pass relieving order from the bond service to the petitioner, within a period of four (4) weeks, from the date of receipt of a copy of this order.

Writ Petition is accordingly allowed. However, there shall be no order as to costs.
