MARB Guidelines for A.Y. 2024-2025

1. Background

To standardize the process of the filling application for new college and increase in seats for UG and PG courses. Streamlining the process of assessment (selection of assessors & assessment). MARB guidelines are prepared based on the revised regulations GMER 2023 and UG MSR 2023.

- Link for **Establishment of Medical institutions, Assessment & Rating Regulations, 2023**: <https://www.nmc.org.in/MCIRest/open/getDocument?path=/Documents/Public/Portal/LatestNews/246253.pdf>
- Link for **National Medical Commission (Minimum Standard Requirements) For Establishment Of New Medical College/Increase Of Seats In MBBS Course) Guidelines, 2023** <https://www.nmc.org.in/rules-regulations/national-medical-commission-minimum-standard-requirements-for-establishment-of-new-medical-college-increase-of-seats-in-mbbs-course-guidelines-2023-reg/>

2. Assessment Process

Assessment for Permission: Notwithstanding anything stated elsewhere, the MARB determines the appropriate method of assessment and/or inspection, before granting permission to the applicant to establish a medical institution. Provided such methods shall include, but not be limited to verification of documents in digital or another form, Aadhar-based attendance register, verification of live video feed, photographs, Hospital Management Information System (HMIS) data or surprise physical assessment etc.

a) **AEBAS (Aadhar Enabled Biometric Attendance System)** as per MSR "Guidelines for Undergraduate Courses under Establishment of New Medical Institutions, Starting of New Medical Courses, Increase of Seats for Existing Courses & Assessment and Rating Regulations, 2023". dated 16th August 2023.

- All Medical Colleges/Institutions shall install AEBAS to be linked to Command-and-Control center of NMC.
- *The daily AEBAS of the required staff (faculty, residents and supporting staff), preferably along with face linked recognition, shall be made available to NMC as well as on the Medical College Website in the form of daily attendance dashboard.*
- It shall be mandatory to have at least 75% attendance of the total working days (excluding vacations) for all faculty and resident doctors.
- *AEBAS, preferably with face recognition of all students attending every lecture/ teaching class/ seminar shall be recorded and linked to NMC.*

Only colleges with faculty count having at least 75% attendance for the last three months from the last date of application (i.e 19th September) on AEBAS will be analyzed whether such count is meeting MSR requirements or not and hence will be eligible for the physical inspection.

Revision No.: 07

MARB Guidelines for A.Y. 2024-2025

In case of establishment of new medical college AEBAS registration for the faculty should be complete before inspection. AEBAS attendance of registered faculty for ten working days prior to (and including) the date of inspection will be an essential criteria to be taken into consideration during the inspection.

Old colleges applying for PG/UG courses should have

- Adequacy of faculty for existing UG Course
- Additionally for PG applications for increase in seat should have adequate for existing faculty PG courses

Note: Circular for Guidelines "Implementation of AEBAS In Medical College dated 18th October 2022 (Link: <https://www.nmc.org.in/MCIRest/open/getDocument?path=/Documents/Public/Portal/LatestNews/19.10.2022.pdf>)

Pre-assessment Process for various applications

1. New PG applications only (Application related new PG course only)

Step 1 - To check availability of following:-

- a) Essentiality certificate (EC) b) Certificate of affiliation (CoA) c) Application fees

(If all the above three criterias are fulfilled)

Step 2: Availability of faculty registered (Professor, Assoc Prof & other) in AEBAS list supporting the proposed number of PG seat

Step 3: Overall UG standards are adequate.

Step 4: Inspection if any recognition for PG is pending from other departments

Step 5: Inspection

2. All other PG application i.e. new PG & increase in PG seats (But not applied for increase in UG application)

Step 1 - To check availability of following:-

- a) Essentiality certificate (EC) b) Certificate of affiliation (CoA) c) Application fees

(If all the three criteria's are fulfilled)

Step 2:

a) For new PG Seats : Availability of faculty registered (Professor, Assoc Prof & other) in AEBAS list supporting the proposed number of PG seat

b) For increase PG seats: Overall PG standards are ok and recognized by PG board

Step 3: Overall UG standards are adequate.

Step 4: Inspection if any recognition for PG is pending from the departments

Step 5: Inspection

3. Application related to Increase of seats in UG & PG

a) Application related to Increase of seats in UG

Step 1 - To check availability of following:-

- a) Essentiality certificate (EC) b) Certificate of affiliation (CoA) c) Application fees

Note: As per MSR 2023 issues on 16th August 2023

- Colleges seeking increased number of seats cannot exceed a total of 150 MBBS students from the year 2024-25;
- Colleges seeking increase in seats for admission, shall have admitted batch fulfilling all the criteria for number of seats admitted for the preceding academic year and also shall be fulfilling all the requirements for increase in seat capacity;
- With the exception that colleges who have applied for academic year 2023-24 for increased seats but failed to get the same, can ask for the same number (totaling 200 or 250) that was in their previous application for one time in the year 2024-25 only.
- Provided that medical college shall follow the ratio of 100 MBBS seats for 10 lakh population in that state/ U.T.

Step 2: Overall UG standards are ok as approved by UG board & AEBAS is fulfilled for UG seats

Step 3: Inspection

b) Application related to Increase of seats in PG

Step 1 - To check availability of following:-

- a) Essentiality certificate (EC) b) Certificate of affiliation (CoA) c) Application fees

(If all the three criteria's are fulfilled)

Step 2: PG faculty for existing PG seats are fulfilled and Overall PG standards are ok and recognized by PG board

Step 3: Inspection

4. Increase UG seats only

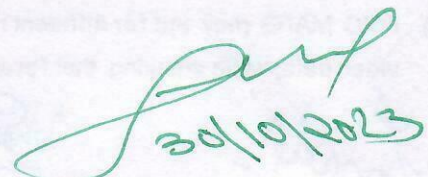

Step 1 - To check availability of following:-

- a) Essentiality certificate (EC) b) Certificate of affiliation (CoA) c) Application fees

Note: As per MSR 2023 issues on 16th August 2023

- Provided that medical college shall follow the ratio of 100 MBBS seats for 10 lakh population in that state/ U.T.

Step 2: Availability of faculty registered (Professor, Assoc Prof & other) in AEBAS list supporting the proposed number of UG seat

Step 3: Inspection

- b) NMC MARB may opt for different methods for inspection including physical or virtual (supplemented with video data) while ensuring that for a given academic year all assessments for each of the following purposes

Imaif

30/10/23

30/10/23

राष्ट्रीय आयुर्विज्ञान आयोग
NATIONAL MEDICAL COMMISSION
NEW DELHI

Doc No.: NMC/MARB/005

Issue No.: 05

Revision No.: 07

MARB Guidelines for A.Y. 2024-2025

is uniform to all applicants of each of the type (new college, increased seats, etc.; (Surprise assessment will remain same at all time). The committee will train them appropriately.

Computer based selection of assessors:- In order to reduce human intervention, **Robust Randomization Software** will be used for selection of date of assessment and selection of assessors. The inspection will be surprised however, the list of the medical colleges that will be assessed will be published on NMC website.

All the inspections (UG & PG courses) for a college will be conducted on the same day. For UG course, assessment will be conducted for one day by a team of 5 assessors (In case of non-availability of 5 assessors, MARB may allow inspection to be conducted by at least 3 assessors) and for PG courses, assessment will be conducted for one day by a team of 2 assessors per specialty. (In case of non-availability of two assessor per specialty for PG course, MARB may allow inspection to be conducted by one assessor). The team of assessor will conduct the assessment to examine the infrastructure, quality of medical education, faculty, AEBAS data, clinical indicators, and financial status of the college to ensure compliance with latest NMC guidelines. It may also conduct interviews with staff & all students during the assessment. (Refer to Assessment form <https://www.nmc.org.in/information-desk/for-colleges/procedure-to-start-new-college/>).

Medical colleges established by the State/Central Government (recognized for MBBS for a period of 5 years), registered for additional PG seats will be exempted from physical inspection, based on AEBAS data and other objective and numerically measurable parameters. Physical Inspection will be conducted for the application received for additional PG seats by private medical colleges. Physical inspection will also continue for Central/ State Government and Private Medical colleges applying for fresh PG seats and recognition of PG course.

The inspection will be conducted, and information will be collected and documented on NMC portal by the assessor as per the latest assessor guidelines available on the NMC website. **It would be mandatory for the inspection team to ensure the duly signed & endorsed (by the college management) report is uploaded on the portal before inspection team departs from the hospital.** Inspection beyond one day shall be discouraged and be allowed in the rarest of rare cases only on account of force majeure. In all such cases, the same must be documented and immediately communicated to MARB and written approval must be sought for seeking any extension.

In case of deficiencies being found, the same will be communicated to the medical college granting sufficient time to report compliance after rectification of the deficiencies. Following this surprise compliance verification inspection will be conducted in case of the establishment of new medical college / increase in admission capacity for UG courses.

Revision No.: 07

MARB Guidelines for A.Y. 2024-2025

c) Code of conduct for Assessors

If case of violation of code of conduct by the assessor, MARB will intimate the parent organization where required (Govt. Medical college) and may not consider them for future assessments. For detailed code of conduct, please refer to assessor guideline on NMC website.

A communication mechanism (IT driven) will be created for each team of assessors to –

- to capture real time information about the college
- for technical clarification if any required during the assessment
- for sharing photos and video of the assessment
- to ensure timely completion of the assessment process – start time and end time of assessment.
- during uneventful incident with assessors the group can be used for immediate reporting and necessary action.

d) Criteria for Assessor selection

In order to reduce human intervention in selection of assessors, **Robust Randomization Software** will be used for assessor selection considering following: -

- Utmost care to be taken to ensure the assessor are not from within state for the transparent assessment process.
- No two assessors from same college or district to be selected for assessment of same medical college.
- Only Government medical college assessors of Professor or 10 years of faculty experience at the level of associate professor with four years of teaching experience in that level are eligible for conducting the assessment.
- The assessor should not be working in the same medical college or have any close relatives who are working or studying in that medical college. The assessor should also not be an alumnus of that medical college. (Assessors are required to submit the Self-declaration form as attached in annexure 9)
- 5. Communication timelines for assessment**
 - The assessor will be informed about the name of the district where he/she will be travelling 48 hours before the assessment date. The randomization software will be operated under the direct supervision of MARB.
 - The travel agency will also be conveyed about name of the district and details of assessors 48 hours before the assessment date for travel arrangements.
 - Further, the name of medical college to assessor will be revealed one day (evening) before the assessment date. However, such information would not be shared with the concerned college to maintain secrecy and element of surprise. Colleges will be intimated about the names of the inspection team only in the morning of date of inspection.

6. A particular assessor will be given reasonable break between two inspections i.e., Cooling off period:
- Assessors to be given 15 days cooling off period between the two inspections and under no condition will be engaged for the inspection procedure for more than five times in a year.

NOTE: The entire pool of assessors may be finalized by a joint committee MARB. The assignment of the assessors to the colleges will be through Robust Randomization Software (certificate of integrity to ensure confidentiality) without knowledge of MARB or other Boards of NMC or any other person. Manual selection of assessors will be carried out by MARB in case of limitation/failure incurred in Robust Randomization Software.

e) Scrutiny of Assessment report by committees

1. The assessment report should be submitted by the assessors through the NMC web portal according to the following schedule:-
 - The AEBAS attendance sheet (department wise) should be uploaded using the **first link**, which will be active from **11 am to 12 pm on the day of the assessment**.
 - The details of the clinical material should be uploaded using the **second link**, which will be active from **2 pm to 3 pm on the day of the assessment**.
 - The complete SAF should be uploaded using the **third link**, which will be active till 12.00 am midnight on same day of assessment.
 - In case the inspection is extended beyond one day the link may be activated on second day (maximum up to 12pm) with the permission of MARB joint committee. The committee shall record reasons for allowing such extension.
2. Assessors are required to upload duly filled SAF with detailed summary & recommendations along with evidence as per rules & regulations of NMC. Hard copy of the signed SAF form is to be sent to MARB within 24 hours of end of assessment through speed post.
3. Additionally, each assessor is also required to upload following duly signed document -
 - Summary of assessment and recommendations with evidence as per the rules and regulations of NMC.
 - Confidential report and feedback on fellow assessors.
4. Principle of natural justice to be followed during process of scrutiny of assessment report –
 - a. Independent expert committee duly authorised by the commission u/s section 20(1) of the NMC Act which may comprise members of other boards & two senior experts and/or officers well versed with NMC guidelines will evaluate the assessment report submitted by the assessor to provide recommendations. (Within seven working days of receipt of assessment report).
 - b. Joint committee (MARB) will support expert committee as and when required by the expert committee.
 - c. The assessment report & summary sheet including recommendation of expert committee will be submitted to MARB for final decision.

Note: All assessment work in any or all of the boards or at level of NMC will be done through e-office only

f) Evaluation result and issuance of letter of approval

1. MARB shall communicate its decision of permission or otherwise to the eligible entity as per the timelines stated in annexure. All orders of MARB shall be self-explanatory speaking orders issued under the digital/ e-signatures of authorized official of MARB. (Format of Review form is attached as annexure 6).
2. All cases of cancelled inspections shall be duly documented and immediately reported on NMC website. In such cases, inspections are rescheduled following steps as stated above.
3. In case of Show Cause Notice (SCN), the college will submit the compliance report within stipulated time period. On receipt of compliance report, only the process of review and final decision as stated above will be followed.

Without prejudice to anything stated elsewhere, it shall be the duty of the eligible entity to abide by all such conditions laid down in the letter of permission, and the MARB will have the right to seek such information or cause an inquiry done into the matter to verify all such conditions are observed in both letter & spirit.

g) How to fill Application form

The detailed procedure for filling the application form for various categories of applicants is provided on NMC website and can be accessed using the link.

3. Application fee

For mode of payment and latest fees update please refer to NMC website

For UG: <https://www.nmc.org.in/online-application-submit/>

For PG: <https://www.nmc.org.in/online-pg-application/>

Revised payment fees are released by NMC vide public notice dated 18th August 2023 (Please refer to annexure 1 of public notice) [Link

<https://www.nmc.org.in/MCIRest/open/getDocument?path=/Documents/Public/Portal/LatestNews/UG%20AppIication.pdf>

4. Step wise Process for Accreditation

4.1 For new college, renewal and increase in seats (UG & PG)

Activities – New College & Increase of Seats	Timeline
Application Received – EC & COE & Bank guarantee	August – September
Scrutiny of Application – SO, US, DS, Legal team (MARB), Account section (NMC) Committee [UG & PG Scrutiny form is attached as annexure 7 & 8 respectively]	September- October
Finalization of list of assessors	2 nd week of October

N-19011/13/2023-Assessment Cell/MARB/8250396

Dated: the November 16th, 2023

PUBLIC NOTICE

Subject: Additional points in continuation of Medical Assessment and Rating Board(MARB)'s Guidelines for the AY 2024-25 - Regarding.

In continuation of **MARB Guidelines for the AY 2024-2025** (attached herewith), the following points are brought to the notice of all Stakeholders/General Public for their awareness and information:

- I. Any deficiency found in applications submitted(by the Medical Colleges/Institutions), at any point of time during the ongoing process, the applications will be rejected straight away.
 - II. Physical inspection does not provide any immunity to the Medical Colleges/Institutions with respect to any deficiency in the applications or AADHAR Enabled Biometric Attendance System (AEBAS) data.
 - III. Updated MARB guidelines for the AY 2024-25 are subject to any further modifications/clarifications/instructions as issued by the commission from time to time.
2. This issues with the approval of the Competent Authority.
