

आयुर्विज्ञान में राष्ट्रीय परीक्षा बोर्ड नई दिल्ली

National Board of Examinations in Medical Sciences New Delhi Notice

Dated: 11/11/2025

विषय: संशोधित एनबीईएमएस प्रत्यायन प्रक्रिया/मानदंड - के संबंध में

Subject: Revised NBEMS Accreditation Process/Criteria – Regarding

कृपया ध्यान दें: सभी अस्पताल / मेडिकल कॉलेज / चिकित्सा संस्थान

Kind Attention: All Hospitals / Medical Colleges / Medical Institutions

1. एनबीईएमएस मान्यता प्रक्रिया/मानदंड में निम्नलिखित संशोधन/अद्यतन किए गए हैं:

The following revisions / updates have been made in the NBEMS Accreditation process / criteria:

i. एनबीईएमएस संकाय के लिए न्यूनतम पात्रता मानदंड निम्नानुसार संशोधित किए गए हैं:

Minimum eligibility criteria for NBEMS Faculty have been revised as under:

- एनएमसी द्वारा जारी मेडिकल संस्थान (संकाय की योग्यता) विनियम, 2025 के अनुसार, एनबीईएमएस 5 जुलाई 2025 को एनएमसी द्वारा अधिसूचित संकाय योग्यता मानदंडों को अपनाता है, जो निम्नलिखित संशोधनों के अधीन हैं:

In accordance with the Medical Institutions (Qualifications of Faculty) Regulations, 2025 issued by the NMC, NBEMS hereby adopts the faculty qualification criteria as notified by the NMC on 5th July 2025, subject to the following modifications:

- डीएनबी पाठ्यक्रमों के लिए, संबंधित विशेषज्ञता में **13 वर्षों** के पोस्ट डिप्लोमा अनुभव वाले पोस्ट एमबीबीएस डिप्लोमा धारकों को **वरिष्ठ सलाहकार** और **10 वर्षों** के पोस्ट डिप्लोमा अनुभव वाले को **कनिष्ठ सलाहकार** के रूप में विचार किया जाएगा। हालांकि, प्रत्यायन के उद्देश्य से प्रत्येक आवेदक विभाग में केवल एक पीजी डिप्लोमा योग्यता वाले संकाय को ही अनुमति दी जाएगी। आवेदक विभाग के शेष पूर्णकालिक संकाय सदस्यों को संबंधित डीएनबी पाठ्यक्रम के लिए निर्धारित न्यूनतम पात्रता योग्यताएँ पूरी करनी होंगी।

For DNB Courses, Post MBBS Diploma holders with **13 years** of Post Diploma experience will be considered as **Senior Consultant** and **10 years** of Post Diploma experience as **Junior Consultant** in the same specialty. However, only one faculty with PG Diploma qualification will be permitted per applicant department for the purpose of accreditation. The rest of the full-time faculty member(s) in the applicant department must fulfil the existing minimum eligible qualifications prescribed for the concerned DNB Course.

- पोस्ट एमबीबीएस डिप्लोमा पाठ्यक्रमों के लिए, संबंधित विशेषज्ञता में **10 वर्ष** के पोस्ट डिप्लोमा अनुभव के साथ पीजी डिप्लोमा योग्यता वाले संकाय को **सीनियर कंसल्टेंट** के रूप में माना जाएगा और **7 वर्ष** के पोस्ट डिप्लोमा अनुभव वाले संकाय को **जूनियर कंसल्टेंट** के रूप में माना जाएगा।

For Post MBBS Diploma courses, a faculty with PG Diploma qualification with **10 years** Post Diploma experience in the concerned specialty will be considered as **Sr. Consultant** and the faculty with **7 years** Post Diploma experience will be considered as **Jr. Consultant**.

- संबंधित विशेषज्ञता/विभाग में एनएमसी (पूर्ववर्ती एमसीआई) से मान्यता प्राप्त मेडिकल कॉलेजों/चिकित्सा संस्थानों में संकाय के रूप में पिछले अनुभव वाले प्रस्तावित संकाय को भी संबंधित विभाग में संकाय होने के लिए मौजूदा एनबीईएमएस न्यूनतम पात्रता मानदंडों के बावजूद एनबीईएमएस के साथ मान्यता प्राप्त करने के उद्देश्य से संकाय के रूप में माना जाएगा।

Proposed faculty with past experience as a faculty in NMC (erstwhile MCI) recognized medical colleges / medical institutions in the concerned specialty/department will also be considered as a faculty for the purpose of seeking accreditation with NBEMS irrespective of the existing NBEMS minimum eligibility criteria to be a faculty in the concerned department.

ii. निम्नलिखित पाठ्यक्रमों/विशेषज्ञताओं के लिए न्यूनतम मान्यता मानदंड संशोधित किए गए हैं:

Minimum Accreditation Criteria have been revised for the following courses/specialties:

A. डीएनबी रेडियो डाइग्नोसिस / DNB Radio Diagnosis:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (July-November 2025 Application Cycle)</p>	<p>Revision of existing minimum accreditation criteria for essential modalities in Radio Diagnosis: -</p> <ul style="list-style-type: none"> • Mandatory departments in the hospital are as follows: <ul style="list-style-type: none"> a) General Medicine b) General Surgery c) Obstetrics & Gynaecology d) Paediatrics e) Orthopaedics • Essential Modalities: <ul style="list-style-type: none"> ○ CR/DR ○ Ultrasound including colour Doppler ○ Spiral/Multi Slice CT ○ MRI Facilities ○ Cath-Lab/Interventional Radiology Facilities • Desirable Modalities: <ul style="list-style-type: none"> ○ Fluoroscopy ○ Mammography • For imaging modalities installed in campus under PPP (Public – Private Partnership) mode, an undertaking must be obtained from the outsourced agency to ensure to provide full access of the facilities to the trainees.

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
	<ul style="list-style-type: none"> • Full Access to be further defined as follows: <ul style="list-style-type: none"> a) Trainees to be provided opportunity to prepare draft Radio diagnosis reports, which should be finalized by consultant radiologists. b) Trainees should be given opportunity for being involved in patient care services. • Joint Accreditation Scheme: <ul style="list-style-type: none"> ○ In Joint Accreditation scheme, the period of Rotational Posting in Secondary hospital to be for 04 months/per year and during rotational posting in hospital, trainees should be involved mainly in learning “How to manage Radiological Emergencies and Trauma patients” <p>The other existing requirements / minimum accreditation criteria will remain unchanged.</p> <p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</p>

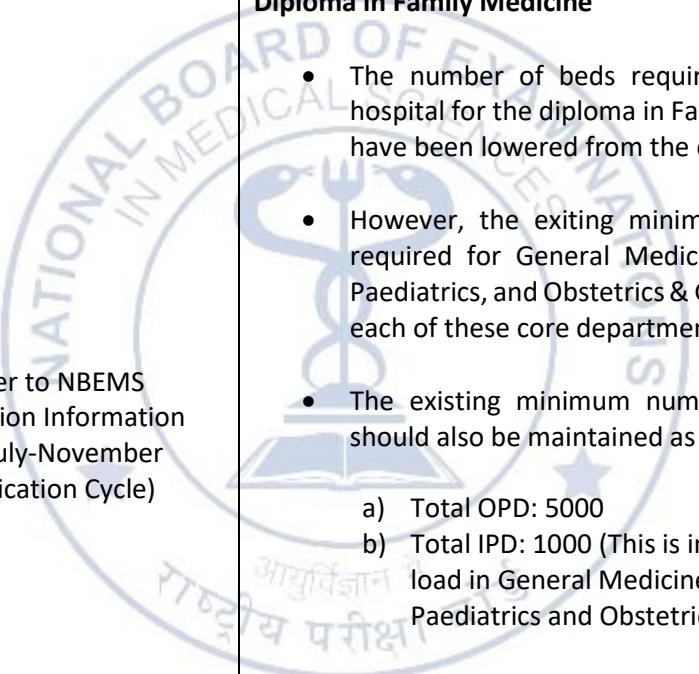

B. डीएनबी एमर्जेंसी मेडिसिन/ DNB Emergency Medicine:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
<p>Please refer to NBEMS Accreditation Information Bulletin (July-November 2025 Application Cycle)</p>	<p>Revision of minimum accreditation criteria for DNB – Emergency Medicine:</p> <p>1. Departments: The mandatory departments in the hospital are as follows:</p> <ul style="list-style-type: none"> a) General Medicine b) General Surgery c) Orthopaedics d) Obstetrics & Gynaecology e) Paediatrics <p>2. Faculty:</p> <ul style="list-style-type: none"> • At least one faculty with DNB/MD Emergency Medicine qualification is a must for DNB Emergency Medicine programme. <p>The above criteria will be applicable for the applications seeking fresh accreditation with NBEMS in DNB Emergency Medicine. This criterion will not be applicable to ongoing / renewal accreditation. However, in case, any of the existing faculty leaves the accredited department, the hospital is advised to appoint a faculty with</p>

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
	<p>DNB/MD Emergency Medicine qualification if none of the remaining faculty have the required DNB/MD Emergency Medicine qualification.</p> <ul style="list-style-type: none"> The minimum post-PG experience required for DNB/MD/MS holders in General Medicine, Anaesthesiology, and General Surgery has been revised. For the position of Senior Consultant (S.C.), the minimum post-PG experience has been reduced from the existing 8 years to 5 years. Similarly, for Junior Consultant (J.C.), it has been reduced from the existing 5 years to 2 years. Faculty with the following specialties can also be included in the minimum eligible qualification criteria for faculty in the department of Emergency Medicine, in addition to the existing MD/MS/DNB Anaesthesiology, General Surgery and General Medicine: <ul style="list-style-type: none"> a) MD/DNB Respiratory Medicine or equivalent (Minimum Post-PG experience of 5 years for S.C. & 2 years for J.C.) OR b) MS Traumatology & Surgery/DNB Trauma & Acute care Surgery or equivalent (Minimum Post-PG experience of 5 years for S.C. & 2 years for J.C.) OR c) MS/DNB Orthopaedics or equivalent (Minimum Post-PG experience of 5 years for S.C. & 2 years for J.C.) OR d) DM Pulmonary Medicine or equivalent (Minimum Post-PG experience of 3 years for S.C. & 1 years for J.C.) OR e) DM/DrNB Critical Care Medicine or equivalent (Minimum Post-PG experience of 3 years for S.C. & 1 years for J.C.) OR f) DM Pulmonology & Critical Care & Sleep Medicine or equivalent (Minimum Post-PG experience of 3 years for S.C. & 1 years for J.C.) <p>3. ER Visits: The following minimum accreditation criteria for DNB Emergency Medicine in a 100 bedded hospital having 11 beds in the Emergency Department, 2 Consultants (out of which 01 should be Senior Consultant) and 2 DNB seats:</p>

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
	<ul style="list-style-type: none"> • Total 6,000 ER Visits/year • For every additional one DNB seat, there should be a corresponding 10% increase in total ER Visits/year.
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। <i>All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</i></p>	

C. डिप्लोमा फैमिली मेडिसिन/ Diploma - Family Medicine:

मौजूदा मानदंड / Existing Criteria	संशोधित मानदंड / Revised Criteria
 Please refer to NBEMS Accreditation Information Bulletin (July-November 2025 Application Cycle)	<p>Revision of minimum existing accreditation criteria for Diploma in Family Medicine</p> <ul style="list-style-type: none"> • The number of beds required for the applicant hospital for the diploma in Family Medicine courses have been lowered from the existing 100 to 60. • However, the existing minimum number of beds required for General Medicine, General Surgery, Paediatrics, and Obstetrics & Gynaecology i.e. 10 for each of these core departments will continue. • The existing minimum number of OPD and IPD should also be maintained as follows: <ul style="list-style-type: none"> a) Total OPD: 5000 b) Total IPD: 1000 (This is inclusive of OPD & IPD load in General Medicine, General Surgery, Paediatrics and Obstetrics & Gynaecology). • At least one of the Faculty (Senior/Junior Consultant) for the DNB as well as the Diploma course in Family Medicine should be from the family medicine background (DNB/MD Family Medicine). This is applicable for all the prospective applications.
<p>एनबीईएमएस से प्रत्यायन प्राप्त करने के लिए अन्य सभी शेष न्यूनतम मान्यता मानदंड वर्तमान सूचना बुलेटिन के अनुसार जारी रहेंगे। <i>All other remaining minimum accreditation criteria will continue as per the current Information Bulletin for seeking accreditation with NBEMS.</i></p>	

iii. एफएनबी पाठ्यक्रमों और डीएनबी/डीआरएनबी पाठ्यक्रमों में अस्पताल के बिस्तरों का ओवरलैपिंगः **Overlapping of hospital's Beds in FNB Courses and DNB/DrNB Courses:**

- As per existing minimum NBEMS accreditation criteria, the number of applications seeking accreditation with NBEMS are restricted to the number of available operational beds in an applicant hospital. One of the examples from existing

Information Bulletin is:

“Category - 3: Multi-Specialty hospital (offering services in multiple specialty areas) with 100 or more but less than 150 total operational beds in hospital can seek accreditation only in any 02 DNB, DrNB or FNB course”.

- **The existing criteria has now been revised as:**

- Where the ongoing / applicant DNB/DrNB course is the main clinical department of the applicant FNB course, such FNB application and DNB/DrNB application will be considered as a **single unit**.

Illustration:

“A Multi-Specialty hospital (offering services in multiple specialty areas) with 100 or more but less than 150 total operational beds in hospital can now seek the accreditation in DNB General Medicine, DNB General Surgery & FNB Minimal Access Surgery because the DNB General Surgery & FNB Minimal Access Surgery will be counted as a single unit.”

iv. उसी विशेषता में डॉ.एनबी 3 वर्षीय पाठ्यक्रम और डॉ.एनबी प्रत्यक्ष 6 वर्षीय पाठ्यक्रम में एनबीईएमएस से मान्यता प्राप्त करने के लिए आवेदन:

Application seeking accreditation with NBEMS in DrNB 3 Years Course and DrNB direct 6 Years course in the same specialty:

As per the revised criteria, if a hospital has distinct (non-overlapping) faculty, a sufficient caseload and satisfies all other existing minimum accreditation criteria to run both 3 years & direct 6 years DrNB courses in the same specialty, it can concurrently administer both of the above courses.
