

UNDERGRADUATE MEDICAL EDUCATION BOARD
NATIONAL MEDICAL COMMISSION

No. No. UGMEB/NMC/Annual Examinations/Advisory/03/2021

Date: 19th April, 2021

ADVISORY

Sub:- Conduct of 2nd MBBS and Supplementary examinations (1st and 2nd MBBS) in view of ongoing COVID – 19 pandemic in the country.

In view of the ongoing COVID – 19 pandemic, the Undergraduate Medical Education Board of the National Medical Commission issues the following Advisory related to the conduct of annual 2nd MBBS and Supplementary examinations (1st and 2nd MBBS).

1. The universities are advised to adhere to the existing norms for conducting theory examination. However, considering the risk stratification of the areas where the Medical Colleges/Institutions are located all necessary precautions including staggering of small batches must be adhered to.
2. If the external examiners are not able to travel, they may conduct the exams online.
3. The internal examiners should be available physically for the conduct of examinations.
4. Practical/clinical examinations may be conducted in the laboratories with due precautions.
5. All students who are unable to appear for the examinations for whatever reasons, may take up the examinations with the supplementary batches. This will not be counted as an additional attempt for them.

Dr. Aruna V. Vanikar,
President,
UGMEB
