**Subject-** Regarding students under training of cps diploma course, future training examination and recognition.

Respected sir,

It is informed that currently, there are 1386 enrolled students in the cps course who are in training period. Selected through NEET PG-2021. In relation to this matter a Special committee meeting for CPS course and PGMEB was held on 26/5/2023.

PGMEB is very concerned about the future of these students and Following Solution has been decided –

- 1.Final Examination for these students should be conducted by cps according to their own Pattern till December this Year. Under Strict supervision of NBEMS.
- 2.Student who pass the CPS Examination will be allotted 6 Months of training in the institute under NBEMS.
3. After completing 6 months of training NBEMS will conduct a Final Examination according to its own pattern. Only students who pass the Final Examination conducted by MBEMS. will be recognized by NMC or their Respective state's SMC.

According to the committee's decision NBEMS should promptly prepare a detailed plan.

Yours faithfully

Rita Singh  
Under Secretary, PGMEB
