PUBLIC NOTICE

It has come to the notice of NMC that a fake letter for allotment of seat for MBBS course was issued under the alleged signature of Secretary, National Medical Commission. It is brought to the notice of the public that none of the officers of NMC and its Boards issue any letter either for admission in the medical college or is involved in the medical college allotment process. Accordingly, all the students/parents/guardians etc. are advised to not to fall into the traps of miscreants who are issuing such letters in the name of officers of this Commission. Such incidents are also intended to tarnish the image of the National Medical Commission which in fact is mandated to supervise highest ethical standards in medical profession.
