PUBLIC NOTICE

Subject: Impersonation of attendances in AEBAS in medical colleges/institutions – reg.

It has come to attention of National Medical Commission (NMC) that in some medical institutions the faculty members are marking bio-metric attendance on AEBAS using fake finger prints.

2. This is viewed seriously by the National Medical Commission. It is advised that all faculty members must mark their attendance personally in the AEBAS connected to the NMC at their medical college. Any incidence of impersonation shall attract appropriate action.

3. This issues with the approval of the Chairman, NMC.
