**PUBLIC NOTICE**

**Subject: Online Application for the Eligibility Certificate – regarding**

The Foreign Medical Graduate Examination (FMGE) Screening Test may be scheduled tentatively in the month of **July, 2025** by the National Board of Examinations in Medical Sciences. Candidates must possess the eligibility certificate issued by the National Medical Commission to apply for the Screening Test, as per the specified requirements.

2. Candidates who have not yet obtained the Eligibility Certificate need to apply for it through the National Medical Commission's website at <https://www.nmc.org.in/ActivitiWebClient/open/studentRaise>, following the schedule provided below:

| Online Portal Process                   | Timelines                                       |
|---|---|
| Online Submission of Application        | 10 <sup>th</sup> March, 2025 (09:30 AM onwards) |
| Last Date for Submission of Application | 9 <sup>th</sup> April, 2025 (Till 06:00 PM)     |

3. **It may be noted that this is the last opportunity to apply for the Eligibility Certificates and thereafter no further chance would be available to the candidates to apply for the Eligibility Certificates. Accordingly, all candidates are requested to submit application after making due diligence and checking the requisite entries scrupulously before submitting the application.**

4. It is also informed that the applicants can make enquiries about status of the Eligibility application at: [eligibility.regn@nmc.org.in](mailto:eligibility.regn@nmc.org.in) & [eligibility@nmc.org.in](mailto:eligibility@nmc.org.in), however, while making such enquiries; all the candidates are requested to invariably provide their **File Tracking** Number, which was generated while submitting the application to NMC for issuance of Eligibility Certificate. It may please be noted that no response would be sent to the candidate in the absence of File Tracking Number. An Advisory is also attached for guidance of the applicants.

5. The candidates who have already submitted application for issuance of the Eligibility Certificate to NMC in the past, they need not apply again.

Encls: As above.

Yours sincerely

(Dr. B Srinivas)  
Secretary, NMC

**ADVISORY**

Subject: Online Application for the Eligibility Certificate – regarding

The Foreign Medical Graduate Examination (FMGE) Screening Test is tentatively scheduled in **July, 2025** by the National Board of Examinations in Medical Sciences. As per the requirements, the candidates who are required to have the eligibility certificate are not permitted to apply for the Screening Test without the Eligibility Certificate issued by the National Medical Commission. The online portal for applying for EC will be **opened on 10<sup>th</sup> March, 2025 (09:30 AM onwards)**.

2. It has also been observed on previous occasions that various mistakes are made by the candidates while applying for the Eligibility Certificate (EC). The following are suggested measures to avoid mistakes:-

- (i) The applications should preferably be filled by the candidate himself and should ideally avoid proxy for making applications for EC:

(ii) The candidates are also advised to keep their documents handy before filling application for EC; it would be ideal if the entries to be made are verified vis-a-vis entries in the original documents;

(iii) The candidates should provide their active mobile numbers so that alerts/deficiencies can reach them directly for rectification to obviate any delay in rectification. It may also be ensured that once the deficiency is conveyed only the deficiency should be rectified by the respective candidate as expeditiously as possible to avoid last minute rush; and

(iv) Candidates shall scrupulously check entries and ensure conformity with the details in the original documents to ensure quick processing/approval of applications if otherwise eligible.

3. The **above-mentioned steps are only suggestive and not exhaustive**. Candidates are requested to exercise due diligence before submitting applications for Eligibility Certificates and ensure the mobile numbers indicated remain active.
