IV) Board Of Examinations Resolution No. 09/2020 dated 17/04/2020

Sir / Madam,

Apropos the subject mentioned above this is to inform you that the University has received requests from the students who have failed four times in First B.A.M.S./B.U.M.S. examinations to get one more chance to appear for the University examinations.

Rule 4(d) of the IMCC Amendment Regulations, 2016 reads as under :

"4(d) The student failed in any of the four professional examinations in four chances shall not be allowed to continue his or her studies:

Provided that, in case of serious personal illness of a student and in any unavoidable circumstances, the Vice-Chancellor of the concerned University may provide one more chance in any one of four professional examinations;"

In the light of the above rule, colleges may process the applications of the students who wanted to avail the benefit of the above rule by endorsing specific recommendations of Dean/Principal regarding their serious personal illness or having any unavoidable circumstances during Winter-2019 Examinations after due verifications. Considering the crises, the names of the recommended students may be forwarded separately to the University and the applications may be submitted afterwards.

The colleges shall apprise the student that this opportunity shall be available to him/her only once during the entire course.

Please note that the applications of the students submitted without specific endorsement of the Dean/Principal (regarding serious personal illness of a student or any unavoidable circumstances) and submitted without proper channel cannot be placed before the Hon'ble Vice-Chancellor for his consideration for grant of additional chance (Mercy attempt) to allow the concern student to appear in the University examinations.
