

KALOJI NARAYANA RAO UNIVERSITY OF HEALTH SCIENCES, WARANGAL,
TELANGANA STATE

CIRCULAR

This is to inform that a company by name Vinformax has created curriculum-based medical education content with 3D animations in the brand name of **MediMagic** and is coming out to help all the students across Telangana State during the COVID-19 pandemic situation as a social concern.

MediMagic is a learning app that is available on Android and iOS platforms. This can be downloaded from the PlayStore and AppStore.

MediMagic product encompasses 3D animated content for Pre-Clinical & Para-Clinical lessons mapped to the curriculum of MCI. During this lockdown period of COVID-19, MediMagic offers its learning app FREE for all medical students of KNRUHS till 31st October 2020.

MediMagic app can be used by the students for self-learning while reading their textbooks. Concepts and Images in the textbooks can be visualized from the respective videos in the MediMagic app.

The download links for the app are provided below:

iOS: apple.co/31A2bQr

Android: bit.ly/MediMagic

Hence, the students of the medical colleges affiliated to the KNRUHS, Warangal are informed to avail the app free of cost upto 31st of October 2020.
