Dated: 21st August, 2020

OFFICE MEMORANDUM

Subject: Plan for restart of physical classes of MBBS students

In continuation of the previous orders on the subject matter above, following decisions have been taken:

1. Physical classes for MBBS (3rd, 5th and 9th semester) students shall start from 7th September 2020. It is likely that didactic lectures will continue to be delivered online while clinical postings/demonstrations are held physically.
2. For 7th Semester students, postings will continue Online till 30th September. Physical postings including Ballabgarh, other departments, and skills classes will start from 1st October.
3. For 1st Professional students, revision classes in Anatomy/Physiology/Biochemistry shall be held from 7th September to 20th September, 2020 and 1st Professional examination shall be held after 20th September (dates to be decided by examination section). Marks of internal assessments that have been missed will be added to the marks of the professional exam. There will be no online classes of 3rd Semester during revision classes.
4. For 5th Semester students, 2nd Pre-Professional examination shall be held from 15th November, 2020 and 2nd Professional Examination shall be held from 16th December, 2020 (dates to be decided by examination section). Marks of internal assessments that have been missed will be added to the marks of the pre-professional exam.
5. For 9th Semester students, postings shall start from 7th September. 3rd Pre-Professional examination shall be held from 1st November and 3rd Professional examination shall be held from 16th December, 2020 (dates to be decided by examination section).
6. All dates are subject to change based on Government rules and COVID-19 pandemic situation.
7. CRs of respective semesters may contact the concerned departments to decide on the topics and schedule for revision classes.
8. The Hostel Section will develop and disseminate SOPs for students in the hostels including screening for COVID-19, sanitation, use of mess, masks etc.
