1.

INTRODUCTION

The Ministry of Health, Government of India set up a committee known as the “HEALTH SURVEY AND PLANNING COMMITTEE” on 12th June, 1959 to undertake a review of the development that had taken place since the publication of the report of HEALTH SURVEY DEVELOPMENT COMMITTEE (BHOORE COMMITTEE) in 1946, with a view to formulate further health programmes for the country in the third and subsequent five year plan periods. This committee recommended the setting up of six Postgraduate Medical Institutions in the country one each at Calcutta, Mumbai, Madras, Hyderabad, Lucknow and Chandigarh to meet the increasing demand of teachers for the rapidly expanding medical colleges, specialist services for hospitals, and needs of the armed forces.

The Postgraduate Institute of Medical Education and Research was conceived and planned in 1960 to create an “ISLAND OF EXCELLENCE” in Chandigarh, providing physical and intellectual milieu for young scientists working in multiple disciplines of medicine, to advance the frontiers of knowledge, to render humane service to the sick and suffering, and to train medical and paramedical manpower. The Institute was established in 1962 under the erstwhile state of Punjab. It was declared an Institute of National Importance by an Act of Parliament (Sr. No. 51 of 1966) w.e.f. 1st April, 1967.

2.

AIMS AND OBJECTIVES OF THE INSTITUTE

The following are the objectives of the Institute:

- a. To develop patterns of teaching in undergraduate and postgraduate education for all its branches, so as to demonstrate a high standard of medical education.
- b. To bring together, as far as possible in one place, educational facilities of the highest order for the training of personnel in all important branches of health activity.
- c. To attain self-sufficiency in postgraduate medical education to meet the country's need for specialists and medical teachers.

3.

Dr. Tulsi Das Library, PGIMER, was established in 1962 primarily for meeting the requirements of faculty members and postgraduate students of different disciplines at the Institute.

Dr. Tulsi Das Library is the backbone of the institute supporting Research work, education, teaching and patient care. The library has a collection of more than one Lakh books, bound journals and theses as the print material. These include M.Sc., MD, MS, M.Ch, DM and Ph.D. of various disciplines. The library is transforming from conventional to hybrid and later digital by acquiring around 2000 e-journals, e-books including videos. In addition, the access of information is through library gateway i.e. RemoteXs with EBSCO Discovery services.

The library subscribes to around 38 databases which include major publishers like Elsevier, Lippincott, Wiley, Springer, BMJ, Karger, Oxford, ASM, Taylor & Francis etc. and softwares like TURNITIN for plagiarism check, Grammarly, Endnote, SPSS on demand of our end users. The services are available to members of library 24×7×365 days i.e. Access- Anytime, Anywhere (3A's) to all the digital content as stated above. The library has implemented the latest information technologies like Wi-Fi facility with high-speed internet connection.

Moreover, the library is also providing digital services on request in the form of full-text articles, chapters of books, references and so-on through e-mail. The OPAC services for in-house collection are also available in library and remotely through the PGIMER web page: <http://pgimer.edu.in> under Education window. The library also supports evidence-based practice research to its members and teaches the building of search strategies used for writing systematic reviews. The library has a separate reading room facility for the residents and members of the library for 24 hours.

5.9 SPORTS AND CULTURAL ACTIVITIES

The Institute has upheld the healthy tradition of maintaining the intellectual as well as the physical fitness of its students. Facilities for indoor as well as outdoor games like table tennis, badminton, cricket, lawn tennis, football, etc. have been consistently available to the enthusiasts. A huge complex for water sports situated in the immediate vicinity of the men's hostel is functional. Institute Cultural Programmes Committee works for the promotion of Art, Culture and Literary activities in the campus. Various functions and participation both outside and within the campus, are organized and jointly presented by the students of various courses in the institute. As the students come from far and wide, it bestows integration and international understanding. In addition to creative art, dance, drama, song and music presentations by the Institute staff members, Cultural Programmes Committee also organizes performances by artists of international repute from India and abroad, periodic film festivals and retrospectives from special bonanzas for mass entertainment. Bhargava Auditorium of the Institute is a special attraction, being the biggest and one of the best auditoriums in this part of the country. The medium of extracurricular activities is exploited to the maximum of promoting better interpersonal relationship and character building.
