Sub: Request to reduce the Annual Tuition for the Non-Clinical PG Medical Courses under Management Quota for the Academic Year 2024-25

Ref: Your order No.225/H5/Health-II /2024-25, Fee committee order, dated 23.08.2024,  
Health Secretariat, Govt. of Puducherry,

Respected Sir / Madam,

The fees committee has fixed the tuition fee for PG Non-Clinical State Govt. Quota Rs.6,55,000/- and for Management Quota Rs.13,05,000/ Fees for the academic year -2024-25

The PIMS Management Committee has considered to reduce the Annual tuition fees fixed by the Fee Committee for the Management Quota seats in the non-clinical subjects for the academic year 2024-25. This reduced annual tuition fees amount as per Annual tuition fees that has been fixed for State Govt. Quota students. The Annual tuition fees for both category of students (Mgmt. Quota & State Govt. Quota) could be the same as mentioned below for the AY 2024-25.

Sl. No	(PG/MD/MS) Course Speciality	Total PG Seats (2024-25)	Mgmt Quota seats	Govt Quota Seats	Annual Tuition fees for AY 2024-25
1	M.D. Anatomy	2	1	1	Rs. 6,55,000/-
2	M.D. Physiology	4	2	2	Rs. 6,55,000/-
3	M.D. Biochemistry	2	1	1	Rs. 6,55,000/-
4	M.D. Pharmacology	2	1	1	Rs. 6,55,000/-
5	M.D. Pathology	3	2	1	Rs. 6,55,000/-
6	M.D. Microbiology	4	2	2	Rs. 6,55,000/-
7	M.D. Community Medicine	4	2	2	Rs. 6,55,000/-
Total		21	11	10	

This is being done as most (>75%) of the Non-Clinical Specialities are not filled / have been lying vacant and this consideration could be an opportunity for desirous students to avail this opportunity and join the PG (Non-Clinical) courses based on the counselling to be held by CENTAC (Govt. of Puducherry). This reduction in fee for PG (Non-Clinical) seats is considered without prejudice to our persistent representation to increase the fee fixed by the Fees Committee for both Government and Management seats in clinical specialities with view to sustaining the quality of medical education in our Institute and also to cross-subsidise the fees to increase the enrolment in non-clinical specialities for which the demand is decreasing year by year.

Yours sincerely
