NOTIFICATION
REFUND FOR CANDIDATES UG & PG COURSES 2022-23 SESSION

Refund process for eligible candidates is nearing completion by the Tamil Nadu Medical Selection Committee. But due to various reasons few candidates (Both in UG & PG selection 2022-23) have not logged in through their credentials and not confirmed their refund amount and the bank details for refund.

Hence the refund portal for both UG & PG is being opened again from 1st March to 6th March. Candidates are advised to login and confirm their refund amount using their original login credentials and also to provide their bank account details correctly in the relevant columns.

Every effort is being made by the Tamil Nadu Medical Selection Committee in communicating this to the individual candidates (Website notification, SMS and individual Phone calls). Candidates are also advised to utilize this portal, within the specified period and assist us in this process.
