## Welcome to ACPUGMEC & ACPPGMEC!

### Message from Honorable Health Minister

Shri Rushikesh Patel

It gives me immense pleasure to share with you that Department of Health & Family Welfare in Co-ordination with Chairman (Commissioner of Health, MS & ME) ACPUGMEC, Gandhinagar are publishing information booklet for undergraduate students. Admission is an important stage in development of professional career of student. There are many queries regarding availability/seats, fees status and admission process. This information booklet provides all necessary information related to admission process in Gujarati language. The admission Committee is committed to maintain transparency in whole admission process. I ensure that new version of information booklet is more informative, user friendly and adds convenience to the user. It provides valuable information of all aspects of admission process like, list of institutes, availability of seats, fees status and other details of institutes, admitted list, closure of previous years and current year, information on bond etc. I congratulate admission committee for their efforts of publishing information booklet in short period of time. Information booklet will act as a ready reference guide about admission process for students and parents.

I convey my best wishes to admission committee for launching of the information booklet and successful completion of the admission process.
