O R D E R

Our attention is invited to compliance affidavit filed by the Union of India in companion Writ Petition (Civil) No.607 of 2022 and in particular, what is set out in paragraph 5 thereof. It appears from paragraph 5 that Union of India have taken care of category of students who were pursuing medical education abroad in

Ukraine and have returned to India in their penultimate year.

Prima facie, it appears to us that the steps taken by Union of India as set out in paragraph 5 will assist only the final year students.

We issue notice to the respondents for limited purposes to ascertain whether any relief was extended to those students who were forced to come back from Ukraine who had not reached the final year of the MBBS course.

Notice is made returnable on 14th February, 2025.

As Union of India is represented today, we direct the Union of India to file counter affidavit by 14th February, 2025.
