In view of the feedback and responses from previous year it has been decided by the MUHS that, allotment of the student(s) will be done on pro-rata basis, considering the number of applications received from each faculty so that sufficient representation to each faculty students can be done.

It is hereby clarified that the students who have already participated in the said scheme in previous year have again submitted their applications to the University. In such cases fresh candidates (who didn't get any opportunity to undergo SIP Programme) will get priority in allotment and if vacancy exists, applicants who have participated in the scheme earlier will be considered for allotment.
