

PRESS RELEASE
SIR GANGA RAM HOSPITAL

In relation to News published in some News Papers regarding adverse judgement/ order passed by Hon'ble State Consumer Disputes Redressal Commission, Delhi, against Sir Ganga Ram Hospital and some doctors in respect of case no. 594/2016 "Basant Lal Sharma Vs SGRH & Ors" , it is humbly clarified that while no negligence / deficiency of services was found on the part of Sir Ganga Ram Hospital & its doctors, by Delhi Medical Council in its order on 30.12.2015, by Medical Council of India in its order on 10.11.2017 and the Hon'ble High Court of Delhi (Writ Petition order dated 10.10.2018 & order in LPA dated 03.12.2018), the order of Hon'ble State Commission dated 09.02.2024 is surprising. The same is being studied in detail for further course of action.
