Date - 24.11.2023

Advisory

Sub: Mandatory registration of treating doctors under Swasthya Sathi including their specialization, hospitals attached WBMC registration number, AADHAR number and PAN.

As per the current provision, details of the Medical Practitioner had been captured in the Swasthya Sathi portal under Human Resources module during hospital empanelment including their specialization.

As doctor specialization, hospitals involved are in dynamic nature, it is felt that updated information are available in the portal for better scheme monitoring.

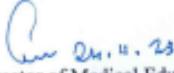

Accordingly, to strengthen the database of the personnel, software based Human Resource module has been developed with additional features for updation of such details of doctors involved in Swasthya Sathi which is also integrated in the Swasthya Sathi mobile application.

It is hereby advised that all treating doctors have to register themselves in Swasthya Sathi portal or in mobile application mentioning their latest specialization, hospitals attached, WBMC registration number, AADHAR number and PAN immediately. It is expected that such registration will be completed by the end of Nov-2023 and thereafter no case can be blocked if the doctor is not registered under Swasthya Sathi portal. This is expected that all such doctors shall regularly update/modify the information immediately, if there is any change in such details.

This Advisory shall be adhered by all Swasthya Sathi empanelled hospitals with immediate effect and until further order.
