

TAMILNADU MEDICAL COUNCIL, CHENNAI

MANDATORY NOTIFICATION ON CME - TO REGISTERED MEDICAL PRACTITIONERS

IMPORTANT NOTICE – TNMC/P.N 32/2022

The Tamilnadu Medical Council directs all its Registered Medical Practitioners practicing in Tamil Nadu, Puducherry, Andaman & Nicobar Islands to strictly comply with clause 1.2.3 of the Code of Medical Ethics of the Council on the updating of knowledge by the Medical Practitioners by way of Continuing Medical Education (CME) and accruing 30 credit hours in 5 years. The procedure and the eligibility are as given in the Tamil Nadu Govt. Gazette No. 41 Part VI Section 1 dated 10.10.2018 & Tamil Nadu Govt. Gazette No. 48 Part VI Section 1 dated 28.11.2018.

The Tamil Nadu Medical Council in its Business Meeting held on 30.10.2018 resolved to implement the above clause among other things forthwith. All the Medical College Faculty, Post Graduates, those who have published articles in Journals, authored chapters are also directed to update online. RMPs who have attended CMEs outside TNMC jurisdiction since June 2012 are also directed to upload the CME Certificates and obtain credit hours. All those CMEs, that are held within the jurisdiction of TNMC since 1st June 2020 were automatically credited credit hours in their account, if the Organizers have applied for the same in TNMC.

RMPs are directed to verify the credit hours accredited in their account, by logging into their TNMC dashboard and apply for any additional credit hours accrued by them by being a Faculty, Post-graduate in a Medical College, publishing a journal, book, etc., as given in the Gazette for the period from 1st June 2017 to 31st May 2022.

Those RMPs who carried over their shortage credit hours during the previous five block years, have to complete their shortage, in addition to the 30 credit hours needed for these five years.
