CME NOTICE

All the Registered Medical Practitioners under Tamilnadu Medical Council are requested to upload any additional CME credit hours accrued via CME/Conference held other than the state of Tamil Nadu or those who are working in any Medical College as faculties or faculties imparting DNB training or as Postgraduates (Diploma, DNB, M.S., M.D., D.M., M.Ch.,) or those who have published articles in journals or written chapters in textbooks can claim the credit hours allocated to each of the activity.

Those CME Programs held within the jurisdiction of TNMC should have been applied for credit hours only though the organizations conducting the CME Program. Individual applications are not entertained within Tamil Nadu whereas the RMPs can apply for credit hours for the activities as said in the paragraph 1 via TNMC portal from their dashboard, paying the stipulated fees.

Any RMP who has completed the age of 65 years within the 2017-2022 block year need to acquire 3 credit hours per year between 65 to 69 years of age.

Those who have reached 70 years and above need not acquire any credit hours, but they should acquire 3 credit hours per year between the age of 65 to 69 years.
