JIPMER

Dear all,

In an endeavour to sensitize and train our JIPMER Faculty and Researchers, as a NML-ERMED member institute, for using the digital resources to the maximum, NML is conducting the series of webinar cum training programs.

Currently there are 235+ e-journals from 5 foreign publishers (BMJ, CUP, LWW, OUP and Wiley) included in NML-ERMED Consortium for the calendar year 2021 (Jan-Dec).

All e-journals are configured on the static IP submitted by the institutes to access/download the desired articles through a single gateway - [www.ermmed.in](http://www.ermmed.in).

Schedule of the webinars on the above subject, to be conducted by **British Medical Journals (BMJ) and Oxford University Press (OUP)** is as follows:
